Enrollment continues.....

Phase II of the Acute Headache Study continues and we have had several changes in the past few months.

Site 1 - 2 TOH - Civic and General Campus. In October we said goodbye Erica Battram who has been with The Headache study since the beginning of Phase I. Erica has moved on to pursue her interests with the injury prevention program. We thank her for all her hard work and dedication and wish her well in her new role. We welcome Juanita Wilzer to the study.

Site 5 - UAH Welcome back to Sandy Sandilands. She will be taking over from Ginny Willis.

Site 10 We welcome Dr. Marcel Emond and Patricia Chabot from Hôpital de l'Enfant Jésus in Quebec City. They began data collection in November 2007.

THINGS TO REMEMBER

- Complete a green data collection form for all patients with chief complaint of Headache
- Onset to peak headache must be ≤ 60 minutes
- Complete all 3 Models on green data collection form for all eligible patients
- Interobserver Assessments** are very important to our study. If possible, please consult with a colleague and have them complete an enrolment form for eligible patients.
