Peds Cardiopulmonary Arrest Newsletter

Feasibility Review Progress & News

New York City

Currently we are awaiting 6 complete and 16 partial outcomes. Monique is currently retrieving these remaining outcomes.

North Carolina

One center had an IRB concern but is now going through the process to get approval for the remaining 8 complete and 2 partial outcomes.

Philadelphia

Crawford is waiting to hear back from one center that is waiting for IRB approval before he can obtain the remaining 5 complete and 1 partial outcomes.

Ottawa/OPALS

Ottawa is currently awaiting 15 outcomes from one site but they will send them as soon as they receive them.

Toronto

Ottawa has received all of Toronto's outcomes!! Thanks Rosemarie!!

Tucson/Phoenix

Ottawa has received all of Tucson/Phoenix's outcomes!! Thanks Lani!!

Milwaukee

Ottawa has received all of Milwaukee's outcomes!! Thanks Kathy!!

Methodology Subgroups Update ~January Meeting

CPR Optimization Devices - Vinay to send Pedisim information with 10 scenarios to Valerie.

CPR Training Program - Valerie & Todd to fully develop a training package that is fundable. Valerie was also going to write a 1-2 page section for the grant application.
