

The OHRI Summer Student Research Program is over and we think that it was a great success! We have received a lot of positive feedback from the participants and are pleased that they enjoyed the seminar process.

Internal Awards:

As in previous years, we have awarded some internal awards, based on the seminar marks of the coordinators and peers. To qualify for an award, participants must have not missed more than 3 seminar sessions. The winners are as follows:

Overall category (50% coordinator mark + 50% ave marks of 3 peers)

Gold: Chelsea Towaij (Kennedy lab)

Silver: Samantha Burugu (MacPherson lab)

Bronze: Wei Wang (Woulfe lab)

Coordinator category (100% coordinator mark) (could not have already won in Overall category)

Gold: Elizabeth Ross (Tsilfidis lab)

Silver: Elysia Pan (McKay lab)

Bronze: Jovian Tsang (Bell lab)

Peer category (100% ave mark of 3 peers) (could not have already won in Overall or Coordinator categories)

Gold: Bin Xiao (Addison lab)

Silver: Jaqueline Tokarew (Wallace lab)

Bronze: Cassandra Voit (Angel lab)

CONGRATULATIONS TO YOU ALL FOR SUCH GREAT WORK! Be sure to post the awards on your fridge in the lab! THE OHRI IS LUCKY TO HAVE THE OPPORTUNITY TO TRAIN NEW STUDENTS AND BENEFIT FROM THEIR RESEARCH EFFORTS!
