OTTAWA HEALTH SCIENCE NETWORK - RESEARCH ETHICS BOARD (OHSN-REB) OPERATIONS COMMITTEE TERMS OF REFERENCE

1. PURPOSE

The **OHSN-REB Operations Committee** will be the administrative mechanism for the OHSN-REB, within the authorities established by its terms of reference. This committee guides the mandate, operations and jurisdiction of the OHSN-REB through the authority of the written governance policy, approved by the Board of Governors of the Ottawa Hospital (TOH) and the Board of Directors of the University of Ottawa Heart Institute (UOHI). It is responsible for oversight and policy relating to research involving human subjects in the institutions covered. The OHSN-REB Operations Committee will be chaired by the OHSN-REB Chair. Members will advise and guide the OHSN-REB Chair and Vice-Chairs to ensure compliance with relevant guidelines and applicable statutory and regulatory requirements.

2. OBJECTIVES

The OHSN-REB Operations Committee will review and agree to standard operating procedures (SOPs) to guide the OHSN-REB processes for:

- established operations,
- board composition,
- management of real or perceived undue influence or conflict of interest with respect to the establishment, operations and decision making of the OHSN-REB.

The OHSN-REB Operations Committee will develop, review and approve common consent form templates and internally prepared guidance documents for researchers at all institutions who submit to the OHSN-REB. Formal procedures shall be in place for the selection, appointment, training and terms of the OHSN-REB members.
3. MEMBERSHIP
