ANNOUNCEMENT

Name Change for Protocol Officers

The Ottawa Health Science Network Research Ethics Board (OHSN-REB) is pleased to announce that the “REB Protocol Officers” will now be known as “Research Ethics Coordinators”.

As the OHSN-REB begins its qualification process to be a Clinical Trials Ontario Certified REB, it was felt that a name change was required to help with consistency across the province.

This new name is now consistent with other Research Ethics Boards across Canada and the United States.

Please contact the REB Office if you have any questions.

Thank you.
