

JEFFREY JOSEPH PERRY: CURRICULUM VITAE

Address: F6 Clinical Epidemiology Program, The Ottawa Hospital, Civic Campus
1053 Carling Avenue, Ottawa, Ontario, Canada K1Y 4E9
Telephone: 613-798-5555 Ext. 18763
Fax: 613-761-5351
E-mail: jperry@ohri.ca

EDUCATION

Master of Science (Epidemiology), University of Ottawa, 1999-2002
Doctor of Medicine, University of Ottawa, 1992-1996
Human Physiology, McGill University 1990-1992

DIPLOMAS, DEGREES

Certificate of Special Competence in Emergency Medicine, The College of Family Physicians of Canada, 1999
Certificate in Family Medicine, The College of Family Physicians of Canada, 1998

TRAINING

Research Fellow, University of Ottawa, Division of Emergency Medicine 1999-2002
Resident, Emergency Medicine, University of Manitoba, 1998-1999
Resident, Family Medicine, Memorial University of Newfoundland, 1996-1998

LANGUAGES

Fluent in Oral and Written English
Functional in Oral and Written French

APPOINTMENTS

Associate Professor, Department of Emergency Medicine, Faculty of Medicine, University of Ottawa, 2008-
Associate Professor, Department of Epidemiology and Community Medicine, University of Ottawa, 2008-
Assistant Professor, Department of Emergency Medicine, Faculty of Medicine, University of Ottawa, 2003-2008
Assistant Professor, Department of Epidemiology and Community Medicine, University of Ottawa, 2006-2008
Member, Faculty of Graduate and Postdoctoral Studies, University of Ottawa, 2007-
Scientist, Clinical Epidemiology Program, Ottawa Health Research Institute, 2002-
Attending Staff, Department of Emergency Medicine, The Ottawa Hospital, 1999-
Consulting Staff, Department of Emergency Medicine, Queensway Carleton Hospital, 1999-2003
Consulting Staff, Department of Emergency Medicine, Children's Hospital of Eastern Ontario, 2000-2003

HONOURS/AWARDS

New Investigator Award, Canadian Institutes of Health Research, 2009-2014 (\$50,000/year)
Career Scientist Award, Ontario Ministry of Health and Long-Term Care, 2004-2009(\$50,000/year)
Young Investigator Award, Society for Academic Emergency Medicine, May 2005
New Investigator Award, Intramural funding: Ottawa Health Research Institute/Emergency Physician Associates 2002-2004 (\$50,000/year)
Excellence Scholarship, University of Ottawa, 2000-2002
Research Fellow, Ontario Ministry of Health and Long-Term Care - Emergency Health Services Branch, 2000-2002 (\$30,000/year)

CURRENT TEACHING ACTIVITIES

1. Student and resident supervision daily in Emergency Department, The Ottawa Hospital.
2. Alternate Leader, Journal Clubs, Department of Emergency Medicine, University of Ottawa.
3. Residents Research Project Supervisor.

MEMBERSHIP IN PROFESSIONAL ASSOCIATIONS

1. College of Family Physicians of Canada
2. Ontario Medical Association
3. Canadian Association of Emergency Physicians
4. Society of Academic Emergency Medicine

COMMITTEES

1. Emergency Medicine Research Fellowship Committee, 1999-
2. Eastern Ontario Regional Stroke Care Protocol Committee, 2003-
3. Emergency Ambulatory Care Flow Committee, 2004-

REVIEWER FOR PEER REVIEW JOURNALS/GRANTS

1. Society of Academic Emergency Medicine, 2002-
2. Canadian Journal of Emergency Medicine, 2002-
3. Journal of Clinical Epidemiology, 2002-
4. Archives of Pediatrics and Adolescent Medicine, 2002-
5. Heart and Stroke Foundation of Canada, 2003-
6. Canadian Association of Emergency Physicians Conference Abstract Selection, 2004-
7. Annals of Emergency Medicine, 2005-
8. Stroke, 2005-

BOOK CHAPTERS

1. Perry JJ. Subarachnoid Hemorrhage. In: Rowe BH, Lang ES, Brown M, Houry D, Newman DH, Wyer PC, editors. Evidence-based Emergency Medicine. Hoboken (NJ) USA: Blackwell Publishing; 2009 (in press)

MANUSCRIPTS IN PEER REVIEWED JOURNALS

22. Sillberg VAH, Perry JJ, Stiell IG, Wells GA. Is the combination of vasopressin and epinephrine superior to repeated doses of epinephrine alone in the treatment of cardiac arrest – a systematic review. Resuscitation 2008 (in press).
21. Eagles D, Stiell IG, Clement CM, Brehaut J, Taljaard M, Kelly A-M, Mason S, Kellermann A, **Perry JJ**. International survey of emergency physicians' awareness and use of the Canadian Cervical-Spine Rule and the Canadian Computed Tomography Head Rule. Acad Emerg Med 2008 (in press).
20. Carpenter CR, Keim SM, Crossley J, **Perry JJ**; for The Best Evidence in Emergency Medicine Group. Post-TIA Early Stroke Risk Stratification: The ABCD2 Prognostic Aid. J of Emerg Med 2008 (in press).
19. Sillberg VAH, Wells GA, **Perry JJ**. Do Statins Improve Outcomes and Reduce the Incidence of Vasospasm After Aneurysmal Subarachnoid Hemorrhage. A Meta-Analysis. Stroke 2008;39;2622-2626.
18. **Perry JJ**, Lee J, Sillberg VAH, Wells GA. Rocuronium versus succinylcholine for rapid sequence induction intubation (Review). The Cochrane Library 2008, Issue 2:1-94
17. Eagles D, Stiell IG, Clement CM, Brehaut J, Kelly AM, Mason S, Kellermann A, **Perry JJ**. International Survey of Emergency Physicians' Priorities for Clinical Decision Rules. Acad Emerg Med 2008;15:177-182.
16. **Perry JJ**, Spacek A, Forbes M, Wells GA, Mortensen M, Symington C, Fortin N, Stiell IG. Is the combination of negative computed tomography result and negative lumbar puncture sufficient to rule out subarachnoid hemorrhage. Annals of Emerg Med 2008;51(6)707-713
15. Al-Reesi A, Stiell I, Zi-Zadjali N, Perry J, Al-Shamsi M, Fergusson D, Al-Thagafi M. Does beta-blockers reduce short term mortality post acute myocardial infarction: systematic review and meta-analysis? Can J Emerg Med 2008;10(3):215-223.

14. Stiell IG, Clement CM, Symington C, **Perry JJ**, Vaillancourt C, Wells GA. Emergency Department use of intravenous procainamide for patients with acute atrial fibrillation or flutter. *Acad Emerg Med* 2007;14:1158-1164.
13. Gatien M, **Perry JJ**, Stiell IG, Wielgosz A, Lee JS. A clinical decision rule to identify which chest pain patients can safely be removed from cardiac monitoring in the emergency department. *Annals Emerg Med* 2007;50:136-143.
12. **Perry JJ**, Stiell IG. Impact of clinical decision rules on clinical care of traumatic injuries to the foot and ankle, knee, cervical spine and head. *Injury* 2006;37:1157-1165.
11. **Perry JJ**, Sivilotti MLA, Stiell IG, Wells GA, Raymond J, Mortensen M, Symington C. Should spectrophotometry be used to identify xanthochromia in the cerebrospinal fluid of alert patients suspected of having subarachnoid hemorrhage? *Stroke* 2006;37:2467-2472.
10. Clement CM, Stiell IG, Schull MJ, Rowe BH, Brison R, Lee JS, **Perry JJ**, Wells GA, for the CCC Study Group. Clinical features of head injury patients presenting with a Glasgow Coma Scale of 15 and who require neurosurgical intervention. *Annals of Emerg Med* 2006;48:245-251.
9. Plint AC, **Perry JJ**, Correll R, Gaboury I, Lawton L. Randomized, controlled trial of removable splinting versus casting for wrist buckle fractures in children. *Pediatrics* 2006;117:691-697.
8. **Perry JJ**, Stiell IG, Wells GA, Mortensen M, Lesiuk H, Sivilotti M, Kapur A. Attitudes and Judgment of Emergency Physicians in the Management of Patients with Acute Headache. *Acad Emerg Med* 2005 12(1);33-37.

3. Thesis "Feasibility Study to Derive a Clinical Decision Rule for the Investigation of Alert Patients Suspected of Having a Non-Traumatic Subarachnoid Haemorrhage". Defended March 2, 2002.
2. **Perry JJ**, Stiell IG, Wells GA, Spacek AM. Historical Cohort Study "Use and Yield of Investigations for Alert Patients with Possible Subarachnoid Hemorrhage." *Can J Emerg Med* 2002; 4(5):333-337.
1. **Perry JJ**, Lee J, Wells GA. Meta-Analysis "Are Intubation Conditions Using Rocuronium Comparable to Succinylcholine? A Meta-Analysis." *Acad Emerg Med* 2002; 9(8):813-823.

RESEARCH FUNDING

Peer-Reviewed Principal Investigator:

13. Canadian Institutes of Health Research: \$537,844.00 2007-2011 Phase I: Clinical decision rule for high risk TIA patients in the ED.
12. Canadian Association of Emergency Physicians: \$5,000.00 2006 A Study to Determine Current Practice for ED Patients Diagnosed with TIA: A First Step Towards a Clinical Decision Rule to Improve Clinical Management and Outcomes.
11. Canadian Institutes of Health Research: \$751,000.00 2006-2010
A study to prospectively validate a clinical decision rule for the investigation of alert patients suspected of having subarachnoid hemorrhage (renewal - Phase II)
10. Canadian Association of Emergency Physicians: \$5,000.00 2005-2006 The Impact of Electronic Patient Record on Emergency Care Study.
9. Ontario Ministry of Health and Long-Term Care: \$297,500.00 2004-2009 Career Scientist Award, Clinical Decision Rules in the Emergency Department.
8. Canadian Institutes of Health Research: \$218,541.00 2004-2007 Study to complete the derivation of a clinical decision rule to guide investigation for patients with an acute headache to rule out non-traumatic

- subarachnoid hemorrhage.
7. Canadian Foundation for Innovation: \$407,668.00 2005-2007 Improving Emergency Department Care Using Information Technology
 6. Ontario Ministry of Health: \$22,935.00 2003-2004 Study to Determine the Accuracy of Spectrophotometry for Subarachnoid Hemorrhage.
 5. Physician's Services Incorporated Foundation: \$162,000.00 2001-2003 A Study to Derive a Clinical Decision Rule for the Investigation of Alert Patients Suspected of having Subarachnoid Haemorrhage – Phase 1.
 4. Canadian Association of Emergency Physicians: \$5,000.00 2000-2001 A Study to Derive a Clinical Decision Rule for the Investigation of Alert Patients Suspected of having Subarachnoid Haemorrhage.
 3. Ontario Ministry of Health: \$10,000.00 2000-2001 A Study to Derive a Clinical Decision Rule for the Investigation of Alert Patients Suspected of having Subarachnoid Haemorrhage
 2. Ontario Ministry of Health: \$5,000.00 2000-2001 A Historical Cohort Study to Derive a Clinical Decision Rule for the Investigation of Alert Patients Suspected of having Subarachnoid Haemorrhage
 1. Canadian Association of Emergency Physicians: \$800.00 2000-2001 Meta-analysis Endotracheal Intubation conditions created using Rocuronium vs. Succinylcholine.

Peer-Reviewed Co-Investigator:

5. Canadian Institutes of Health Research: \$350,853.00 2007-2010 A study to develop clinical decision rules for the hospital admission of patients with acute dyspnea
4. University of Alberta Hospital Foundation (UHF): \$24,500.00 2004-2005 A study to derive a clinical decision rule for the investigation of alert patients suspected of having subarachnoid hemorrhage (site funding).
3. Canadian Association of Emergency Physicians: \$4,587.00 2004-2005 A Study to Determine the Sensitivity and Specificity of the combination of a Negative computed tomography Scan of the Head and Normal Cerebrospinal Fluid in Ruling out a Subarachnoid Hemorrhage.
2. Canadian Institutes of Health Research: \$591,928.00 2003-2007 Evaluation of an active strategy to implement the Canadian CT head rule: phase III
1. Physician's Services Incorporated Foundation: \$42,000.00 2002-2003. A Randomized Controlled Trial of Removable Splint versus Casting in the Management of Wrist Buckle Fractures in Children.

INVITED PRESENTATIONS

International:

1. Development and Validation of Clinical Decision Rules, Society for Academic Emergency Medicine Annual Meeting, San Francisco, CA, May 2006.

National:

21. The Nuts and Bolts of Clinical Decision Rule Research, Invited Speaker, Canadian Association of Emergency Physicians Annual Scientific Meeting, Ottawa, ON, June 2008.
20. How to Prepare, Submit and Present a Research Abstract, Invited Speaker, Canadian Association of Emergency Physicians Annual Scientific Meeting, Ottawa, ON, June 2008.
19. How to Keep a TIA From Becoming a Stroke, Featured Speaker, Congrès de l'urgence du CHUL, Québec City, PQ, November 2007.
18. Subarachnoid Hemorrhage, Invited Speaker, Canadian Association of Emergency Physicians Annual Scientific Meeting, Victoria, BC, June 2007.
17. Subarachnoid Hemorrhage, Workshop, Canadian Stroke Network, November 2006.
16. The Canadian SAH Rule, Plenary Speaker, Canadian Stroke Network, November 2006.
15. Subarachnoid Hemorrhage, Visiting Professor, Laval University, October 2006.
14. Clinical Decision Rules, Ottawa Health Research Institute Research Day, September 2006.
13. The Canadian SAH Rule: What is the Impact on You? Lethbridge Regional Hospital Rounds May 31, 2006.
12. The Canadian SAH Rule: What is the Impact on You? University of Alberta Department of Emergency Medicine Grand Rounds, May 30, 2006.

11. The Canadian SAH Rule: What is the Impact on You? Queens University Department of Emergency Medicine Grand Rounds, May 24, 2006.
10. The Canadian SAH Rule: What is the Impact on You? University of British Columbia Department of Emergency Medicine Grand Rounds, May 17, 2006.
9. The Canadian SAH Rule: What is the Impact on You? University of Manitoba Division of Emergency Medicine Grand Rounds, May 10, 2006.
8. The Canadian SAH Rule: What is the Impact on You? University of Toronto Department of Emergency Medicine Rounds April 28, 2006.
7. Headache Management, Emergencies for Emergency Physicians Conference, Ottawa, February 2006.
6. Management of Acute Stroke Workshop, Ontario Ministry of Health and Long-Term Care, October 2004.
5. Acute Headache Study and Interim Results, University of Toronto Department of Emergency Medicine Rounds Feb 27, 2004.
4. Acute Headache Study and Interim Results. University of Western Ontario Department of Emergency Medicine Grand Rounds, Feb 26, 2004.
3. Subarachnoid Hemorrhage, Emergencies for Emergency Physicians Conference Ottawa, February 2003.
2. Clinical Decision Rules, Queens University, Kingston General Hospital Core Content Teaching Rounds January 9, 2002.
1. Subarachnoid Hemorrhage and Overview of the Acute Headache Study, Kingston General Hospital Emergency Medicine Grand Rounds, Queens University, January 9, 2002.
