# CURRICULUM VITAE

## **EDUCATIONAL BACKGROUND AND QUALIFICATIONS**

**INSTITUTIONS ATTENDED**      Selwyn Jones High School, Newton-le-Willows, Merseyside, 1972 - 1979

Faculty of Medicine, University of Edinburgh, 1979 - 1984

Faculty of Medicine, University of Aberdeen, 1989 - 1997

**QUALIFICATIONS OBTAINED**      MB. ChB. (Distinction and Class Medal in Community Medicine) 1984  
University of Edinburgh

PhD. 1998

Thesis: *Evaluation of four quality assurance initiatives to improve out-patient referrals from general practice to hospital*

University of Aberdeen

## **MEMBERSHIP OF PROFESSIONAL BODIES AND PROFESSIONAL QUALIFICATIONS**

1985      Full registration with General Medical Council (Registration Number 2944111)

1993      Member of the Royal College of General Practitioners (awarded with distinction)

1999      Fellow of the Royal College of General Practitioners

## **AWARDS**

- 2009 David J. Grimes Research Career Achievement Award, Ottawa Hospital Research Institute
- 2009 Tier 1 Canada Research Chair in Health Knowledge Transfer and Uptake
- 2008 Ottawa Centre for Research and Innovation Research Award
- 2006 Fellow of the Canadian Academy of Health Sciences
- 2004 Canadian Institutes of Health Research Knowledge Translation Award
- 2002 Tier 1 Canada Research Chair in Health Knowledge Transfer and Uptake
- 1993 Distinction, Membership of the Royal College of General Practitioners
- 1984 Class Medal in Community Medicine, Faculty of Medicine, University of Edinburgh
- 1984 Distinction in Community Medicine, Faculty of Medicine, University of Edinburgh

## **EMPLOYMENT HISTORY**

**April 2010 to April 2013**

Adjunct Scientist  
Institute for Clinical Evaluative Sciences (ICES)

**January 2002 to Present**

Senior Scientist  
Director (until September 2009)  
Clinical Epidemiology Program  
Ottawa Hospital Research Institute

Director, Centre for Best Practices, Institute of Population Health  
University of Ottawa

Tier 1 Canada Research Chair in Health Knowledge Transfer and Uptake

Geographical Full Time (GFT) Full Professor,  
Department of Medicine,  
Faculty of Medicine  
University of Ottawa

Chairman of the Division of Clinical Epidemiology,  
Department of Medicine,  
University of Ottawa

**June 1998 to December 2001**

Personal Chair, Health Services Research,  
University of Aberdeen, UK

**Oct. 1994 to Dec. 2001**

Programme Director, Health Services Research Unit,  
University of Aberdeen, UK

<b>Sept. 1993 to Sept. 1994</b>	Senior Clinical Research Fellow (0.5FTE), Health Services Research Unit, and Senior Lecturer (0.5FTE), Department of General Practice, University of Aberdeen, UK.
<b>September 1989 to August 1993</b>	Wellcome Training Fellow, Health Services Research, Department of General Practice and Health Services Research Unit, Department of Public Health, University of Aberdeen, UK.
<b>August 1985 to July 1989</b>	General Practice Vocational Training Northumberland Vocational Training Scheme. Rotating Senior House Officer Appointments in Northern Region, UK.
<b>August 1984 to January 1985</b>	Medical House Officer in General Medicine, Deaconess Hospital, Edinburgh.
<b>February 1985 to July 1985</b>	Surgical House Officer, Leith Hospital, Edinburgh

### **VISITING PROFESSORSHIPS AND FELLOWSHIPS**

Centre for Health Services Research, University of Newcastle upon Tyne, UK, Visiting Professor, 2001 - 2010  
University of California in San Francisco, USA, Visiting Professor, November 2008  
National Institute of Clinical Studies, Melbourne Australia, Visiting Expert, March 2008  
University of Minnesota, USA Distinguished Visiting Professor, January 2007  
University of British Columbia and Vancouver Coastal Health Research Institute Visiting Professor February 2007  
Royal College Visiting Professorship in Medical Research Université Laval, 2003  
Visiting Fellow, Centre for Clinical Effectiveness, Monash University, Melbourne, Australia, 1999.  
Visiting Fellow, US Veteran's Administration Center for the Study of Healthcare Provider Behaviour, Sepulveda, California, 1998.

### **TEACHING AND RELATED ACTIVITIES**

#### **Supervision and Mentoring**

##### ***PhD Supervision***

André Bussi�eres	<i>Diagnostic Imaging Guidelines Implementation Study and the American Speciality Health Network (ASH)</i> , University of Ottawa – Population Health 2007 – ongoing.
Pasquale Lorenzo Moja	<i>E-learning Programs Based in High Quality Evidence to Transfer Knowledge and to Improve Practice for Health Care Professionals</i> . The Open University UK April 2007 – ongoing.
Beverley Shea	<i>Quality of Systematic Reviews: Development, Validation and Application of an Assessment Instrument</i> . University of Amsterdam. 2002 – 2008.
Robbie Foy	<i>Promoting effective reproductive health care</i> . University of Edinburgh. 1998 – 2004

Marion Campbell	<i>The intraclass correlation coefficient in implementation research.</i> University of Aberdeen. 1999 – 2003
Philippa Davies	<i>Improving evidence based implementation of guidelines in primary care.</i> University of Aberdeen. 2000 – 2003
Ruth Thomas	<i>Evaluation of a guideline based open access urological investigation service</i> University of Aberdeen. 1997 – 2002.
Jill Mollison	<i>Use of cluster randomized trials in implementation research.</i> University of Aberdeen. 1997-2002
Lloyd Matowe	<i>An evaluation of the use of time series analysis designs in clinical guidelines implementation studies.</i> University of Aberdeen. 1997 - 2001

### ***PhD Supervisory Committee***

Michael Wilson	<i>Title tbc</i> McMaster University, Health research methods – 2008 - ongoing
Isabel Gaboury	<i>Socio-demographic factors influencing the use of complementary and alternative medicines in the Canadian population.</i> PhD in Population Health - University of Ottawa. 2003 – 2009.
Vicky Hogan	<i>Evaluation of Drug Risk Communication Practices in Canada: Factors Influencing Physician Prescribing Practice and Patient Safety.</i> PhD in Population Health, University of Ottawa 2003 – 2008.

### ***MSc Supervision***

J-D Schwalm	<i>Title tbc</i> Masters in Epidemiology – University of Ottawa. 2009 – ongoing.
Jennifer Eyvindson	<i>Understanding determinants of blood use in orthopaedics,</i> Masters in Epidemiology – University of Ottawa. 2008 – ongoing.
Ayub Akbari	<i>Assessment of Referral Patterns to Nephrologists after eGFR reporting and education,</i> Masters in Epidemiology, University of Ottawa. 2006 – ongoing.
Michelle Weir	<i>An exploration of the epidemiology, quality and methods of systematic reviews of health professional behaviour change interventions,</i> Masters in Epidemiology, University of Ottawa. 2008 - 2009
Hussein Moloo	<i>Hand Assisted Laparoscopic Colorectal Resections,</i> Masters in Epidemiology, University of Ottawa. 2006 – 2009.
Miranda Cumpston	<i>Mass media interventions: effects on health services utilisation (Update of Cochrane Systematic Review).</i> Masters in Public Health, University of Queensland, Australia. 2005 – 2007
Michelle Weir	<i>An exploration of the epidemiology, quality and methods of systematic reviews of health professional behaviour change interventions,</i> Masters in Epidemiology, University of Ottawa. 2008 - 2009

Fatima Hagger	<i>Improving Surgical Practice A Systematic Review of Effective Education Strategies to Improve Surgical Technical Skills in Operative Procedures.</i> Masters in Public Health, Curtin University of Technology, Perth Australia 2005 – 2007
Dorian Deshauer	<i>Enrichment-Discontinuation Designs in Psychiatric Drug Maintenance Therapy.</i> Masters In Epidemiology, University of Ottawa. 2004 – 2007.
Gaby Doumit	<i>Opinion leaders Effectiveness, Identification, Stability, Specificity, and Mechanism of Action.</i> Masters in Epidemiology, University of Ottawa. 2004 – 2006.
Shawn Bugden	<i>Rural Evaluation of Academic Detailing (READ) Study.</i> Masters in Evidence Based Health Care, University of Oxford, UK. 2004 - 2006
Neil Reaume	<i>The Life Cycle of Evidence for Novel Chemotherapeutic Agents in Advanced Non-Small Cell Lung Cancer.</i> University of Ottawa. 2002 - 2005.
Richard Gordon.	<i>The effectiveness of computerised reminders. A systematic review of clinical studies.</i> MSc in Health Services and Public Health Research, University of Aberdeen 1998.
Mary Cousens	<i>Identifying nurse opinion leaders within hospital settings.</i> MSc in Health Services and Public Health Research, University of Aberdeen 1996.
Matthew Hickman.	<i>Operation of shared care schemes” a two phase postal questionnaire survey of Scotland and North West Thames Regional Health Authority, England.</i> . MSc in Public Health, University of Aberdeen 1992.

### ***MSc Supervisory Committee***

Shazia Chaudry	<i>Title tbc</i> Masters in Epidemiology, University of Ottawa. 2009 - ongoing
----------------	--

### ***BMedSci Supervision***

Elaine Armstrong	<i>An assessment of the value of the theory of planned behaviour in predicting GPs’ intentions to prescribe antibiotics for sore throats.</i> B Med Sci, University of Aberdeen 1999.
------------------	---

### ***BSc Supervision***

Marlene Westland	<i>A quantitative study of management in general practice in Grampian.</i> B Sc in Health Sciences, University of Aberdeen 1993.
------------------	--

### **Training Fellowships/Post-Doc**

#### **CHSRF EXTRA mentorship**

Dr Jim Worthington, The Ottawa Hospital CHSRF Extra Fellow 2004-6  
 Dr David Goldstein, Kingston General Hospital CHSRF Extra Fellow 2004-6

### **Post Doctoral Fellows**

Linda Li, CIHR Fellowship, Post-doc project title: *The development of a strategy for ongoing dissemination and integration of current research on physiotherapy management of knee osteoarthritis and low back pain.* 2003-2005

Margaret Watson, MRC Health Services Research Training Fellowship, 2001 – 2005.

Ruth Thomas, Wellcome Trust Health Services Research Training Fellowship, 2002 - 2005

Robbie Foy, MRC Health Services Research Training Fellowship, 1999 - 2002.

Richard Gordon, MRC Health Services Research Training Fellowship, 1997 - 1998.

Janet Curran, Development of an Evidenced Based Implementation Plan for the Canadian Pediatric CT Head Rule (The CATCH Rule) CIHR Post Doctoral Fellowship 2008 - ongoing

Brigitte Vachon, Development of a tailored quality improvement intervention for the management of diabetes care at a regional level, CIHR Post Doctoral Fellowship 2008 - ongoing

### **Visiting Fellows**

Pasquale Lorenzo Moja, MD, MSc, Hygiene and Preventive Medicine resident, Medical School, University of Milan and Research fellow at Italian Cochrane Centre, Mario Negri Institute for Pharmacological Research, Milan. Fellowship funded by School of Specialization in Hygiene and Preventive Medicine, Medical School, University of Milan and Fondazione Bancaria Monte di Lombardia. Aug 2003 – Nov 2004

Alberto Romero MD, Diploma in Epidemiology and Clinical Research (Escuela Andaluza de Salud Pública y Universidad de Granada. Spain), Internal Medicine Specialist, Unidad de Investigación, Hospital Universitario Nuestra Señora de Valme. Seville. Spain. Fellowship funded by Ministerio de Sanidad y Consumo, Instituto de Salud Carlos III, Spain. Jul 2003 – Jun 2004

Camilla Palmhøj Nielsen, MSc. Ph.D. Student, Department of Political Science, University of Copenhagen. July 2004 – December 2004.

Jonathan Cook, BSc. MRC Fellowship, University of Aberdeen. August 2008 – July 2009.

### **Other**

Amy Plint MD, CIHR RCT membership

Amy Cheung MD, Ontario Mental Health Foundation New Investigator Fellowship

Andres Pichon-Riviere MD MSc, Global Mentor Leadership Award

### **Teaching**

#### **University of Ottawa**

Member, Faculty of Graduate and Postdoctoral Studies, Office of the Dean, University of Ottawa, *September 2002 - present.*

Invited lecturer EPI 6288 Advanced Interventions, Masters in Epidemiology, University of Ottawa, 2005.

Course organiser (with Peter Tugwell and Dean Fergusson), EPI 5181 Health Technology Assessment, Masters in Epidemiology, University of Ottawa, 2002 -*present*

Course organiser (with Jamie Brehaut) Cognitive and behavioural theories for knowledge translation (offered as a special course in 2008)

Invited lecturer, EPI 5181 Health Technology Assessment, Masters in Epidemiology, University of Ottawa, 2002 – *present.*

Invited Lecturer, HSR 6120 Knowledge Transfer, 2004 - *present*

Invited lecturer EPI 6188 Systematic reviews 2009

Course organiser, Clinical Decision Making course, Ulysses International Masters in Health Technology Assessment 2003-2005

Invited lecturer Clinical Decision Making course, Ulysses International Masters in Health Technology Assessment 2003-2007

### ***Other teaching***

Faculty member, CIHR Knowledge Synthesis course, 2009

Guest lecturer (20 hours) Masters in Health Technology Assessment, IECS Buenos Aires 2007

Guest lecturer AHS 6007: Knowledge Transfer and Research Uptake, Master's degree in Applied Health Services Research Atlantic Regional Training Centre and University of Prince Edward Island (by teleconference). October 2006, 2009

Faculty Member, EXTRA training program, CHSRF, 2004. 2006 - 2009

Faculty member, Spring Institute, CIHR/CHSRF Centre for Knowledge Translation, Edmonton, May 2004.

Lecturer for the CIHR/CHSRF Centre for Knowledge Translation, Edmonton, March 2004 (by videoconference)

Lecturer for the Continuing Education and Training Programme of the Health Products and Food Branch of Health Canada; May 2003.

Lecturer for McGill University Health Centre, The Montreal Children's Hospital. *Montreal, Quebec; January 2003.*

Course organiser and faculty member for Implementation Research Methods course. Netherlands Society of Technology Assessment in Health Care (NVTAG), Netherlands, June 2001.

Faculty member for Implementation Research Methods course. WOK, AMC, NiHES, ZON, Rotterdam, May 2000 to 2002.

Course organiser and faculty member for Clinical Practice Guidelines course. Barcelona, April 1999;

Faculty member for Dissemination and implementation of Clinical Practice Guidelines course. Barcelona, March 2001.

Lecturer on MSc in Systematic Reviews, Institute of Child Health, April 1999.

Faculty member for post ISTAHC course, St Andrews, June 1999.

Lecturer for MSc in Health Services and Public Health Research, Bachelor in Medical Science, University of Aberdeen, 1990 - 2000.

### **Examining**

External examiner for degree of Doctor of Philosophy for Faculty of Medicine, University of Newcastle upon Tyne (1996), Faculty of Medicine, University of Groningen, Netherlands (2000), Faculty of Medicine, University of Sydney, Australia (2003).

Examiner for Masters in Epidemiology, University of Ottawa (2003, 2005, 2007, 2008, 2009).

Examiner for PhD in Population Health, University of Ottawa (2006)

## **OTHER ACADEMIC ACTIVITIES**

### **International Societies**

Member, Society of Research Synthesis 2006 – present

### **International Committee Membership**

Chair, Scientific Advisory Group NIHR Collaborations for Leadership in Applied Health Research and Care (CLAHRC) for Birmingham and Black Country 2009 - ongoing

Member, US Institute of Medicine Committee on Standards for Systematic Reviews 2009-ongoing

Member, Co-ordinating Editors' Executive, Cochrane Collaboration 2005- present

Member, US Institute of Medicine Forum on the Science of Health Care Quality Improvement and Implementation 2006 - 2007.

## **National Committee Membership**

Member, Ontario Health Technology Assessment Committee 2010 – ongoing  
Member, Institute of Medicine’s Committee on Standards for Systematic Reviews of Clinical Effectiveness Research Committee 2009 - ongoing  
Member, Implementation and Evaluation Steering Committee, Alberta’s Caring for Diabetes Project, 2009 - ongoing  
Member, CAHS Standing Committee on Assessments, 2009 - ongoing  
Chair External Review Panel, SEARCH Canada, 2006.  
Member, Canadian Heart Health Strategy Steering Committee, 2006 – 2009  
Member, External Working Group On The Registration And Disclosure Of Clinical Trial Information (EWG-CT), Health Canada, 2006  
Member, Methodology Working Group, A Canadian Best Practices System for Chronic Disease Prevention and Control, Public Health Agency of Canada 2005- present  
Member, Advisory Board for the Institute of Health Services and Policy Research; September 1, 2004 to September 1, 2007.  
Member, Knowledge Transfer and Exchange Advisory Committee; Institute for Work & Health; May 2003 to 2007.  
Member, Medical Review Panel for the Gairdner Foundation. May 2003 to 2008.  
Member, Health Services Evaluation and Interventions Research – “A” Grants Committee, Canadian Institutes of Health Research. 2002 to 2007  
Member, Knowledge translation Award, Canadian Institutes of Health Research 2006, 2007 (Chair).  
Chair, External Review Team, Department of Clinical Epidemiology and Biostatistics, McMaster University; Hamilton, Ontario. January 2003.  
Member of Advisory Committee for the Program in Evidence Based Care, Cancer Care Ontario, 2001 to 2004.  
Member of the Scottish Intercollegiate Guidelines Network Methodology Development Group, 2000 to 2001.  
Member of the Good Practice Project Development group, Scottish Executive Department of Health, 2000 to 2001.  
Member of the National Institute of Clinical Excellence Guidelines Advisory Committee, 2000 to 2001.  
Member of the Scottish Health Technology Assessment Centre Implementation Working Group, June – July 1999.  
Member of the Methodology Panel for the NHS Health Technology Assessment Programme, 1998 to 2001.  
Chairman of Commissioning Group for the NHS R&D programme on evaluating methods to promote the implementation of R&D, 1995 to 2001.  
Member of Advisory Group for the NHS R&D programme on evaluating methods to promote the implementation of R&D, 1995.  
Observer on Scottish Intercollegiate Guidelines Network (SIGN), 1994 to 2001.  
Methodological Adviser to Scottish Intercollegiate Guidelines Network (SIGN) 1994 to 2000.  
Member of the Royal College of Physicians (Edinburgh) Education, Research and Audit Committee, 1994 to 2000.  
Member of the Royal College of General Practitioners’ Research Network Co-ordinating Group, 1995 to 1997.  
Member of the Royal College of General Practitioners’ Working Party on Clinical Guidelines, 1994 to 1997.  
Member of the Royal College of General Practitioners’ Scottish Council Working Party on Medical Audit, 1992.  
Member of the North East of Scotland Royal College of General Practitioners Faculty Board. 1990 and 1994.  
Trainee Observer on the Royal College of General Practitioners’ Council and the Joint Committee on Postgraduate Training for General Practice, 1987 - 1990.  
Member of the National General Medical Services Committee Trainee Subcommittee 1987 - 1988 and a member of the GMSC Trainees Representation Working Party 1988.

## **Ottawa Hospital Research Institute, The Ottawa Hospital, University of Ottawa Committee Membership**

REB participation 2002 -  
Member, Knowledge Translation Panel, Champlain CVD Prevention Network, 2006 – present.  
Member, Population Health CRC panel, Faculty of Medicine, University of Ottawa 2004 - 2007

Co-Chair of the Setting Directions Research subpanel, University of Ottawa 2004 to 2005.  
Member of the 2010 Vision Research subpanel, University of Ottawa 2004 to 2005.  
Member, Clinical Research Governing Council, The Ottawa Hospital 2004 - 2009  
Ad hoc member, Clinical Priorities Committee, the Ottawa Hospital, 2004.  
Member, Senior Management Team, Ottawa Health Research Institute; 2002 to 2009.  
Chair, Senior Management Team, Clinical Epidemiology Program, Ottawa Health Research Institute, 2002 to 2004.  
Chair, Theme Leaders meeting, Clinical Epidemiology Program, Ottawa Health Research Institute, 2004 - 2006  
Co-Chair, Clinical Research Advisory Committee, Ottawa Health Research Institute; 2003 – 2004  
Member, Research Advisory Committee, Department of Medicine, the Ottawa Hospital. March 2003 to 2008  
Member, Interventions Groups, Institute of Population Health, University of Ottawa. 2002 to present.  
Member, Executive Committee, Institute of Population Health, University of Ottawa; 2002 to 2003.  
Member, Scientific Program Group, Institute of Population Health, University of Ottawa; 2001 to 2003.

## **Other Activities**

External assessor for the Post of Director of the Health Services Research Unit, University of Aberdeen, UK, 2006  
External assessor to the Statutory Committee for the Post of Director of the Newcastle Clinical Trials Unit, University of Newcastle upon Tyne, UK, 2003.  
External assessor to the Statutory Committee for the Post of Director of the Newcastle Clinical Guidelines Research and Support Unit, University of Newcastle upon Tyne, UK, 2001.

## **International Conference Committees**

Member Scientific Program Committee, Guidelines International Network Conference, Toronto August 2007.  
Member of Scientific Program Committee, XIV Cochrane Colloquium, Dublin, Ireland, October 2006  
Chair, 6<sup>th</sup> International Conference on the Scientific Basis of Health Services 2004 – 5  
Member of Scientific Program Committee, XIII Cochrane Colloquium, Melbourne, Australia, October 2005.  
Member of the International Scientific Program Committee for 18<sup>th</sup> Annual Meeting of the International Society of Technology Assessment in Health Care, Berlin, Germany, June 2002.  
Member of the Scientific Committee of the Clinical Practice Guidelines Conference, Berlin, Germany, June 2002.  
Member of the Scientific Planning Committee for 2001 Scientific Basis of Health Services Conference, Sydney, Australia, September 2001.  
Member of the Scientific Programme and Review Committee for 16<sup>th</sup> Annual Meeting of the International Society of Technology Assessment in Health Care, the Hague, Netherlands, June 2000.  
Member of the abstracts committee for VII Cochrane Colloquium - The best evidence for health care: The role of the Cochrane Collaboration, Rome, Italy, October 1999.

## **Editorial Responsibilities**

Editorial Board, Journal of Evidence-Based Medicine 2008 to present  
Editorial Advisory Board, Canadian Medical Association Journal 2007 to present  
Editorial Board, Implementation Science 2005 to present  
Co Editor in chief, Trials 2005 to present  
Consulting editor to the Journal of Continuing Education in the Health Professions 2000 to present.  
Co-ordinating editor of the Cochrane Effective Practice and Organisation of Care group 1997 to present.  
Editor of the Cochrane Collaboration on Effective Professional Practice 1995 – 1997.  
Guideline expert on editorial board of the Journal of Evaluation in Clinical Practice 1995 to present.  
Methodological advisor on editorial board of the Scottish Intercollegiate Guideline Network (SIGN) 1994 to 2000.

## **Consultancies and Related Activities**

Temporary Advisor for World Health Organization – Reproductive Health Library Trial: Discussions on analysis. Geneva – February 2006.

Consultant to the Lewin Group on Knowledge transfer and applications support 2004 to 2006.

Consultant to the Centre for IT Leadership report on IT in disease management 2004 to 2006.

Temporary Advisor for World Health Organization – Reproductive Health Library Trial: Discussions on analysis. Geneva – January 2004.

Methodological adviser to UCSF and Stanford Evidence-Based Practice Center on Closing The Quality Gap: A Critical Analysis of Quality Improvement Strategies - 2003 to 2006.

Consultant to the Canadian Society for International Health on Public Health Surveys and National Health Promotion in Croatia: Technical Proposal 2002 – 2004.

Temporary Advisor for World Health Organization – Reproductive Health Library Trial: Discussions on initial analysis of baseline data and hospital staff survey; Geneva – November 2002.

Member of the Technical Expert Advisory Group for Research Triangle Institute and University of North Carolina Evidence-based Practice Center project ‘Systems to Rate the Strength of Scientific Evidence’ (funded by US Agency for Healthcare Research and Policy), 2000-2001.

Collaborator for Southern California Evidence-Based Practice Center on ‘Current validity of Clinical Practice Guidelines’ (funded by US Agency for Healthcare Research and Policy), 2000.

Collaborator for Southern California Evidence-Based Practice Center on ‘Healthy Ageing’ project (funded by US Health Care Finance Administration), 1998-1999.

Expert witness providing oral evidence to House of Lords Select Committee on Science and Technology, Subcommittee 1 - Resistance to Antimicrobial Agents, December 1998.

Consultancy to provide methodological advice to NHS R&D Programme on Evaluating methods to promote the implementation of R&D, 1995 - 1998.

Consultancy to organise workshop and produce report for US Congress Office of Technology Assessment on Complexity and systematic reviews, 1995.

Consultancy to pilot NHS guideline critical appraisal scheme, 1995.

Member of the Speciality Assurance Team for the Health Related Behaviour Speciality Working Group, Clinical Terms Project, 1994 - 1995.

## **Peer Review**

Peer reviewer for:

- British Journal of General Practice;
- British Medical Journal;
- European Journal of Public Health;
- Family Practice;
- Health Bulletin;
- Health Economics;
- International Journal of Epidemiology;
- Journal of Evaluation in Clinical Practice;
- Journal of the American Medical Association;
- Journal of Health Policy and Health Services Research;
- Lancet;
- Medical Care;
- Quality in Health Care; and,
- Social Science and Medicine.

Peer reviewer of project grant applications for:

- Canadian Institutes of Health Research;
- Aberdeen Royal Hospitals Trust;
- Alberta Heritage Foundation for Medical Research (Scholar Award Establishment programme);
- Australian Department of Health and Aged Care (Funding proposals for Australia-based Cochrane Review Activities);
- Chief Scientist Office of Scottish Office Department of Health;
- Irish Research Board;
- Engineering and Physical Sciences Research Council (EPSRC);
- Medical Research Council (MRC);
- Department of Health Research Initiative in Information and Communication Technologies;
- NHS R&D Standing Panel on Health Technology Assessment;
- NHS R&D Programme on the Primary - Secondary Care Interface;
- NHS R&D Programme on Maternal and Child Health;
- NHS R&D National Primary Care Researcher Development awards;
- the regional NHS R&D grant schemes of the Welsh Office of Research & Development, North Thames R&D Directorate, South Thames R&D Directorate and South and West R&D Directorate;
- PPP Healthcare Trust.

## **Other**

Judge for Eldon R. Smith Poster Competition and James Hogg Award Competition. *National Research Forum for Young Investigators in Circulatory and Respiratory Health, May 2004.*

## **GRANTS AWARDED**

1. **Title: In support of the CADTH workshop held in Halifax Nova Scotia April 18-20, 2010.**  
Principal Investigators: Sketris IS, Fisher J, Langille Ingram E, Bowles S, Davis P, Farrell L, **Grimshaw J**, Hazelton L, Hurley K, Lummis H, Sargeant J.  
Funding body, amount and date: CADTH, 5,000 April 2010.
2. **Title: Canadian Research Chair of Health Knowledge Transfer and Uptake (Tier I chair) Renewal**  
Principal investigator: **Jeremy Grimshaw**  
Funding body, amount and date: CIHR CDN 1,400,000 (Chair) January 2009 – December 2015.
3. **Title: Building a knowledge infrastructure to support evidence based health care decision making: A collaborative approach between the Champlain local integration network and the University of Ottawa.**  
Principal investigator: **Jeremy Grimshaw**  
Funding body, amount and date: Canadian Institutes for Health Research, \$200,000  
2008 – 2010
4. **Title: Canada Prime Plus: Selecting individual and organizational theories for interventions to change clinical practice**  
Principal investigator: **Jeremy Grimshaw**  
Funding body, amount and date: Canadian Institutes for Health Research, \$581,303  
2008 – 2011
5. **Title: Knowledge Translation Canada: A national Research Network**  
Principal investigator: **Jeremy Grimshaw**  
Funding body, amount and date: Canadian Institutes for Health Research, \$9,795,574  
2008 – 2013
6. **Title: Implementation Research in Smoking Cessation Treatment Practice: Applying Psychological Theories To Understand Family Physicians' Intention To Integrate The Recent Progress In Tobacco Dependence Treatment Into Their Practice**  
Principal investigator: **Jeremy Grimshaw**  
Funding body, amount and date: Heart and Stroke Foundation Canada, \$47,720  
2008 – 2009
7. **Title: Improving evidence-based care and the outcomes of patients with traumatic brain injury and spinal cord injury through a program to facilitate knowledge transfer and exchange**  
Principal investigator: Russ Gruen, University of Melbourne, Sally Green, Monash University, Melbourne, Australia  
Co Investigator: **Jeremy Grimshaw**  
Funding body, amount and date: Victoria Neurotrauma Initiative, AUS \$4,999,999, Jan 2009 – Dec 2013
8. **Title: EXACKTE 2: Exploiting the clinical consultation as a knowledge transfer and exchange environment**  
Principal investigator: France Legare (Universite de Laval, Gwyn Elwyn, Cardiff University, UK  
Funding body, amount and date: CIHR, \$272305, Sept 2009 – Feb 2012
9. **Title: A Survey of factors associated with the successful recognition of agonal breathing and cardiac arrest by 9-11 call takers**  
Principal investigator: Christian Vaillancourt  
Co Investigator: **Jeremy Grimshaw**  
Funding body, amount and date: Heart and Stroke Foundation of Ontario, \$49,000

2008 – 2009

10. **Title: Ethical and Policy Issues in Cluster Randomized Trials (Renewal)**  
Nominated Principal Investigator: Monica Taljaard  
Co PI: **Jeremy Grimshaw**  
Funding body, amount and date: Canadian Institutes of Health Research (CIHR), \$281,987, 2008-2011
11. **Title: Design and analysis of interrupted time series studies in health care research: Resolution of methodological issues**  
Principal investigator: Andrew Forbes  
Co Investigator: **Jeremy Grimshaw**  
Funding body, amount and date: National Health and Medical Research Council of Australia , Aus \$297425, Oct 2008 – Sept 2010
12. **Title: Evaluation of the Safety of C-Spine Clearance by Emergency Department Triage Nurses (Phase IV)**  
Principal investigator: Ian Stiell  
Co Investigator: **Jeremy Grimshaw**  
Funding body, amount and date: Canadian Institutes for Health Research, \$157,357  
2008 – 2010
13. **Title: CIHR Emerging Team in Genomics in Screening**  
Principal investigator: Brenda Wilson  
Co Investigator: **Jeremy Grimshaw**  
Funding body, amount and date: CIHR, \$300,000  
2008 – 2013
14. **Title: Appropriateness of Frozen Plasma Use in Canada**  
Principal investigator: Alan Tinmouth  
Co Investigator: **Jeremy Grimshaw**  
Funding body, amount and date: Canadian Institutes for Health Research, \$275,145  
2008 – 2010
15. **Title: Developing capacity for knowledge translation: Identifying factors that improve practice guideline implementation**  
Principal investigator: Anna Gagliardi, University of Toronto  
Co Investigator: **Jeremy Grimshaw**  
Funding body, amount and date: Canadian Institutes for Health Research, \$135,676  
2008 – 2010
16. **Title: University of Ottawa Evidence Based Practice Centre.**  
**Principal investigator:** David Moher  
Co Investigator: **Jeremy Grimshaw**  
Funding body, amount and date: Agency for Healthcare Research and Quality, \$876,000 US for 1 year  
2007 – 2010
17. **Title: Translation Research in a Dental Setting**  
Principal investigator: Jan Clarkson, Dundee University, UK  
Co Investigator: **Jeremy Grimshaw**  
Funding body, amount and date: Chief Scientist Office, \$490061 2007-2010
18. **Title: Effective Practice and Organisation of Care in the NHS**  
Principal investigator: Martin Eccles, University of Newcastle upon Tyne, UK

Co Investigator: **Jeremy Grimshaw**

Funding body, amount and date: UK NHS National Institute for Health Research (approximately \$707,813) 2007 – 2010

19. **Title: Implementation Research In Transfusion Medicine: Using Theoretical Constructs to Inform and Guide the Selection of Interventions to Change Transfusion Practice**  
Principal investigator: Alan Tinmouth  
Co Investigator: **Jeremy Grimshaw**  
Funding body, amount and date: Canadian blood Services, \$50,000
20. **Title: Pushing Useful Science to Healthcare Managers and Policymakers (PUSH-MaP) (operating grant)**  
Principal investigator: John Lavis  
Co Investigator: **Jeremy Grimshaw**  
Funding body, amount and date: Canadian Institutes of Health Research (CIHR), \$236,852.50, 2007-10
21. **Title: Making Cochrane Reviews More Accessible to Policymakers (research grant).**  
Chief Investigator: John Lavis  
Co Investigator: **Jeremy Grimshaw**  
Funding body, amount and date: Cochrane Collaboration \$51,500 2007-2008
22. **Title: Improving the delivery of care for patients with diabetes through understanding optimized team work and organization in primary care.**  
Principal investigator: Martin Eccles  
Co Investigator: **Jeremy Grimshaw**  
Funding body, amount and date: Diabetes UK £553,367 April 2007 for 36 months.
23. **Title: DESPATCH: Delivering stroke prevention for a trial fibrillation: assisting evidence-based choice in primary care.**  
Chief Investigators: Melina Gattellari  
Chief Investigator (Co-PI equivalent): **Jeremy Grimshaw**.  
Funding body, amount and date: Australian National Health and Medical Research Council Project Grant. \$475,948 (AUD 547,373) 2006 - 2009.
24. **Title: Improving the care of people with acute low back pain by allied health professionals: a cluster randomised controlled trial – Project grant # 436767**  
Principle investigator: Sally Green  
Chief Investigator (Co-PI equivalent): J, McKenzie, **J. Grimshaw**, D. Mortimer, J. Keating, B. Walker  
Funding body, amount and date: Australian National Health and Medical Research Council Project Grant. \$579,136 (AUD 653,688) 2006 - 2009
25. **Title: Improving outcomes for ill and injured children in emergency departments: A comprehensive, multi-centered approach using a unique, iterative paradigm of clinical research and knowledge translation**  
Principal Investigator: Terry Klassen  
Co-Investigator: **Jeremy Grimshaw**  
Funding body, amount and date: Canadian Institutes of Health Research, \$3917,344 2006 – 2011.
26. **Title: Ethical and Policy Issues in Cluster Randomized Trials**  
Chief Investigator: Monica Taljaard  
Co PI: **Jeremy Grimshaw**  
Funding body, amount and date: Canadian Institutes of Health Research (CIHR), \$100,000, 2007-2008

27. **Title: AGREE Next Steps, Phase II. Continuous Quality Improvement in the Evaluation of Clinical Practice Guidelines**  
 Chief Investigator: Melissa Brouwers  
 Co-Investigator: **Jeremy Grimshaw**  
 Funding body, amount and date: Canadian Institutes of Health Research (CIHR), \$17,336, 2007-2008
28. **Title: Towards optimally packaged and relevance-assessed health technology assessments**  
 Principal Investigator: John Lavis  
 Co-investigator: **Jeremy Grimshaw**  
 Funding body, amount and date: CCOHTA, \$100,000, 2006 – 2007
29. **Title: The Life Cycle of Evidence in Health Care (renewal)**  
 Principal Investigator: **Jeremy Grimshaw**  
 Funding body, amount and date: Canadian Institutes of Health Research (CIHR), \$327,655, 2006 - 2008
30. **Title: Developing and evaluating the effectiveness of educational prompts in improving diabetes care.**  
 Principal Investigator: Robbie Foy  
 Co-investigator: **Jeremy Grimshaw**  
 Funding body, amount and date: Newcastle Primary Care Trust, 153,913 (£69,613), 2005 - 2007
31. **Title: In support of the symposium entitled ‘Using the Best Scientific Information to Guide Health Decisions’ to be held between December 2-3<sup>rd</sup>, 2005 in Montreal Quebec**  
 Principal Investigators: Roland Grad, **Jeremy Grimshaw**, Marie Hattem, Suzanne Kerouac, Jacques Lacroix, France Legare, Sophie Elise Michaud  
 Budget and funding period: Canadian Institutes of Health Research (CIHR) \$10,000 September 2005 – December 2005
32. **Title: Clustered Randomised controlled Trial of a multidisciplinary, team building intervention to manage Fever, Sugar and Swallowing (FeSS) in Acute Stroke**  
 Principal Investigator: Sandy Middleton  
**Chief Investigator (Co-PI equivalent): Jeremy Grimshaw**  
 Budget and funding period: Australian National Health and Medical Research Council \$352,803 (AUS\$ 398.5k) 2005-2007
33. **Title: IMPLementing a clinical practice guideline for acute Low-back pain Evidence-based management in general practice (IMPLEMENT): a cluster randomised controlled trial. Project Grant #334060**  
 Principal Investigator: Sally Green, Monash University  
**Chief Investigator (Co-PI equivalent) J Grimshaw, J McKenzie, D O’Connor, D Mortimer, N Spike, P Schattner**  
 Budget and funding period: Australian National Health and Medical Research Council \$377, 309 (AUS \$426k) 2005 – 2007
34. **Title: EHTAS (evaluating health technology assessment searches): a proposal to develop a quality assessment checklist and expert peer review forum for HTA searches**  
 Principal Investigator: Jessie McGowan, Margaret Sampson  
 Co-investigator: **Jeremy Grimshaw**  
 Budget and funding period: Canadian Co-ordinating Centre for Health Technology Assessment (CCOHTA) CAD \$99,960 2005 – 2006

35. **Title: When and how to update systematic reviews: a methodological systematic review and international conference**  
Principal Investigator: David Moher  
Co-investigator: **Jeremy Grimshaw**  
Budget and funding period: Canadian Co-ordinating Centre for Health Technology Assessment (CCOHTA) CAD \$100,000 2005 - 2006
36. **Title: Using information technology to identify older individuals with low-trauma fractures**  
Principal Investigator: Ann Cranney, Alan Forster  
Co-investigator: **Jeremy Grimshaw**  
Budget and funding period: Canadian Institutes of Health Research (CIHR) \$74,654 2005 –2006
37. **Title: AGREE next steps. Continuous quality improvement in the evaluation of clinical practice guidelines**  
Principal Investigator: Melissa Brouwers, McMaster University  
Co-investigator: **Jeremy Grimshaw**  
Budget and funding period: Canadian Institutes of Health Research (CIHR) \$115,766 2005 –2007
38. **Title: A comparison of methods to evaluated patient safety during hospital care**  
Principal Investigator: Alan Forster  
Co-investigator: **Jeremy Grimshaw**  
Budget and funding period: Canadian Institutes of Health Research (CIHR) \$75,000 2005 –2007
39. **Title: Do physician cognitive factors predict inappropriate treatment decisions?**  
Principal Investigator: Jamie Brehaut  
Co-investigator: **Jeremy Grimshaw**  
Funding body, amount and date: CIHR; \$202,360, 2005 - 2007.
40. **Title: Looking inside the black box: A theory based process evaluation alongside a randomised controlled trial of printed educational materials (the Ontario printed educational message OPEM trial)**  
Principal Investigator: Merrick Zwarenstein  
Co-investigator: **Jeremy Grimshaw**  
Funding body, amount and date: Canadian Institutes of Health Research (CIHR); \$197,009, 2005 - 2007.
41. **Title: Knowledge synthesis and translation by The Cochrane Collaboration in Canada.**  
Principal Investigator: **Jeremy Grimshaw**  
Funding body, amount and date: Canadian Institutes of Health Research (CIHR), \$7,804,837, 2005 – 2010.
42. **Title: Group Grant in Decision Support Tools for Clinicians and Patients.**  
Principal Investigator: Annette O'Connor  
Co-principal investigator: **Jeremy Grimshaw**  
Funding body, amount and date: Canadian Institutes of Health Research (CIHR); \$1,042,469, 2005 - 2009.
43. **Title: Improving outcomes for ill and injured children in emergency departments: A comprehensive, multi-centered approach using a unique, iterative paradigm of clinical research and knowledge translation (Development grant).**  
Principal Investigator: Terry Paul Klassen  
Co-investigator: **Jeremy Grimshaw**  
Funding body, amount and date: Canadian Institutes of Health Research (CIHR); \$9,868, 2005 - 2006.

44. **Title: Inherit Phase II understanding familial cancer risk: From pedigree to public health (Development grant)**  
Principal Investigator: Jacques Simard  
Co-investigator: **Jeremy Grimshaw**  
Funding body, amount and date: Canadian Institutes of Health Research (CIHR); \$10,000, 2005 - 2006.
45. **Title: Knowledge management in health care communities: Identifying, describing and evaluating the use of communities of practice for knowledge exchange and creation among health care professionals and decision makers**  
Principal Investigator: **Jeremy Grimshaw**  
Funding body, amount and date: Canadian Institutes of Health Research (CIHR); \$84,646, 2005 - 2006
46. **Title: Enhancing the use of secondary prevention strategies in patients with coronary artery disease (the ESP-CAD Trial).**  
Principal Investigator: **Jeremy Grimshaw**  
Funding body, amount and date: Heart & Stroke Foundation; \$49,000, 2004 - 2005
47. **Title: Knowledge Development, Exchange and Uptake: A New Roadmap from Evidence to Practice in Oncology.**  
Principal Investigator: Melissa Brouwers  
Co-investigator: **Jeremy Grimshaw**  
Funding body, amount and date: Canadian Institutes of Health Research (CIHR); \$161,176, 2004 - 2006.
48. **Title: The Life Cycle of Evidence in Cancer Care**  
Co principal Investigators: **Jeremy Grimshaw** and Ian Graham  
Funding body, amount and date: Canadian Institutes of Health Research (CIHR), \$275607, 2004 - 2006
49. **Title: Thrombophilia: from bench to bedside to health economics and policy.**  
Principal Investigator: Phil Wells  
Co-investigator: **Jeremy Grimshaw**  
Funding body, amount and date: Heart and Stroke Foundation; \$1,250,000, 2004 - 2009.
50. **Title: Ontario Printed Educational Messages (OPEM) trial**  
Principal Investigator: Merrick Zwarenstein, University of Toronto  
Co-investigator: **Jeremy Grimshaw**  
Funding body, amount and date: Canadian Institutes of Health Research; \$320,000, 2004 - 2006.
51. **Title: CANADA PRIME: process modeling in implementation research: exploring the theoretical basis of organizational and health care professional behaviour and behaviour change.**  
Principal Investigator: **Jeremy Grimshaw**  
Funding body, amount and date: Canadian Institutes of Health Research; \$235,446, 2004 - 2007.
52. **Title: Identification, Concept and Bibliometric Analyses of Knowledge Translation theories/Framework**  
Principal Investigator: Ian Graham, Jo Logan  
Co-investigator: **Jeremy Grimshaw**  
Funding body, amount and date: Canadian Institutes of Health Research (CIHR); \$87,763, 2004 - 2006.

53. **Title: A trial platform to develop a tailored theory based intervention to improve professional practice in the disclosure of a diagnosis of dementia:**  
Principal Investigator: Martin Eccles, University of Newcastle upon Tyne, UK  
Co-Investigator: **Jeremy Grimshaw**  
Funding body, amount and date: UK Medical Research Council; \$381,791 (£173,248), 2004 – 2006.
54. **Title: Enhancing the use of secondary prevention strategies in patients with coronary artery disease (the ESP-CAD Trial).**  
Principal Investigator: Finlay McAlister, University of Alberta  
Co-Investigator: **Jeremy Grimshaw**  
Funding body, amount and date: Heart and Stroke Foundation of Alberta, NWT & Nunavut; \$49,000, 2004 - 2005.
55. **Title: The Cochrane Effective Practice and Organisation of Care review group**  
Principal Investigator: **Jeremy Grimshaw**  
Funding body, amount and date: Canadian Institutes of Health Research; \$100,000, 2004 –2005.
56. **Title: Systematic reviews of knowledge translation interventions: contributions of process evaluations and contact with authors.**  
Principal Investigator: **Jeremy Grimshaw**  
Funding body, amount and date: Canadian Co-ordinating Centre for Health Technology Assessment; \$100,000, 2004 –2005.
57. **Title: Building capacity: Development of a transdisciplinary team for improving the quality of health care.**  
Principal Investigator: **Jeremy Grimshaw**  
Funding body, amount and date: Canadian Institutes of Health Research (CIHR), \$750,000, 2003 - 2008
58. **Title: PRACTiHC: Pragmatic Trials in Health Care systems – international network to facilitate RCT’s for priority health problems**  
Principal Investigator: Merrick Zwarenstein, Andreas Laupacis (University of Toronto), Jeremy Grimshaw  
Funding body, amount and date: Canadian Institutes of Health Research (CIHR); \$75,000 2003 - 2004
59. **Title: Translating genetics discoveries into appropriate health policy and services: enhancing research capacity and developing an interdisciplinary approach.**  
Principal Investigator: Brenda J. Wilson  
Co-investigator: **Jeremy Grimshaw**  
Funding body, amount and date: Canadian Institutes of Health Research (CIHR); \$606,564, 2003 - 2007
60. **Title: CIET Canada and University of Ottawa: Aboriginal Capacity and Development Research Environment (ACADRE) Centre**  
Principal Investigator: Neil Andersson  
Co-investigator: **Jeremy Grimshaw**  
Funding body, amount and date: CIHR; \$2,571,336, October 2001 to September 2007.

61. **Title: Evaluation of an Active Strategy to Implement the Canadian CT Head Rule: Phase III**  
Principal Investigator: Ian Stiell  
Co-investigator: **Jeremy Grimshaw**  
Funding body, amount and date: Canadian Institutes of Health Research; \$590,034, 2003 - 2007.
62. **Title: Developing an international transdisciplinary knowledge translation project.**  
Co-principal investigators: **Jeremy Grimshaw** and Martin Eccles  
Funding body, amount and date: University of Ottawa International Creative Research Initiatives, \$ 24,480, 2003 - 2005
63. **Title: Evaluation of the impact of a multifaceted intervention to enhance the delivery of genetics services by family physicians.**  
Principal Investigators: Drs June Carroll, Judith Allanson, Brenda Wilson  
Co-Investigator: **Jeremy Grimshaw**  
Funding body, amount and date: Canadian Institutes of Health Research; \$282,964 2003 - 2006.
64. **Title: International Study of Health Research Funding Agencies' Support and Promotion of Knowledge Translation in Low and Middle Income Countries**  
Principal Investigator: Dr. Peter Tugwell  
Co-investigator: **Jeremy Grimshaw**  
Funding body, amount and date: Canadian Institutes of Health Research; \$144,298, 2003 - 2005.
65. **Title: Implementation of the Canadian C-Spine Rule: Phase III**  
Principal Investigator: Ian Stiell  
Co-investigator: **Jeremy Grimshaw**  
Funding body, amount and date: Canadian Institutes of Health Research; \$553,227, 2003 - 2007.
66. **Title: Identification and Validation of Reliable Measures of the Quality of Stroke Care in Ontario**  
Co-Principal Investigators: **Jeremy Grimshaw**, Patrice Lindsay  
Funding body, amount and date: Canadian Stroke Network, \$30,000 2003 – 2004.
67. **Title: Environmental Scan of Knowledge Translation Activities of Canadian Health Researchers**  
Co-principal Investigators: Ian Graham and **Jeremy Grimshaw**  
Funding body, amount and date: Canadian Institutes of Health Research; \$82,937, 2003 - 2004.
68. **Title: Optimal Management of Older Women with Distal Forearm Fractures**  
Principal Investigator: Dr. Ann Cranney  
Co-investigator: **Jeremy Grimshaw**  
Funding body, amount and date: Canadian Institutes of Health Research; \$209,908; 2003 –2006.
69. **Title: University of Ottawa Evidence-based Practice Centre**  
Principal Investigator: David Moher  
Co-investigator: **Jeremy Grimshaw**  
Funding body, amount and date: US Agency for Healthcare Research and Quality (AHRQ), \$5,651,988 (US\$5,000,000), 2002 - 2007.
70. **Title: Assessing the Quality of Cancer Screening Guidelines: The Role of a Modified Delphi Technique**  
Principal Investigator: Ian Graham  
Co-Investigator: **Jeremy Grimshaw**.  
Funding body, amount and date: Canadian Institutes of Health Research \$97,726, 2002 –2003.

71. **Title: An international study of health research funding agencies' support and promotion of knowledge transfer**  
Principal Investigator: Ian Graham  
Co-Investigator: **Jeremy Grimshaw**.  
Funding body, amount and date: Canadian Institute for Health Research (Strategies for knowledge translation), \$84,430, 2002 - 2003.
72. **Title: How are Canadian health researchers promoting the uptake of their research?**  
Principal Investigator: Dr. Ian Graham  
Co-Investigator: **Jeremy Grimshaw**.  
Funding body, amount and date: Canadian Institute for Health Research (Strategies for knowledge translation), \$87,237, 2002 - 2003.
73. **Title: Cochrane and Knowledge Translation**  
Principal Investigator: Peter Tugwell  
Co-Investigator: **Jeremy Grimshaw**.  
Funding body, amount and date: Canadian Institute for Health Research, \$100,000, 2001- 2002
74. **Title: Process modelling in implementation research: selecting a theoretical basis for interventions to change clinical practice**  
Co-holders: Dr Anne Walker, Dr Craig Ramsay (Health Services Research Unit, University of Aberdeen), Professor Martin Eccles (Centre for Health Services Research, University of Newcastle upon Tyne), Professor Maire Johnston (Department of Health Psychology, University of St Andrews); Professor Nigel Pitts (Dental Health Services Research Unit, University of Dundee).  
Funding body, amount and date: Medical Research Council, £407,151, December 2001
75. **Title: Canadian Research Chair of Health Knowledge Transfer and Uptake (Tier I chair)**  
Co-holders: None  
Funding body, amount and date: Canadian Foundation for Innovation CDN 1,400,000 (Chair), CDN 122,600 (Infrastructure), Ottawa Innovation Trust CDN \$122,600, November 2001.
76. **Title: Improving the appropriateness of clinical laboratory test requests. (Wellcome HSR Training Fellowship)**  
Co-holders: Ruth Thomas, Dr Bernie Croal (Health Services Research Unit, University of Aberdeen).  
Funding body, amount and date: Wellcome Trust, £169,731, May 2001
77. **Title: Developing optimal strategies for evidence based pharmaceutical practice in the community pharmacy setting (MRC HSR Training Fellowship)**  
Co-holders: Dr Margaret Watson, Professor Christine Bond (Department of General Practice, University of Aberdeen)  
Funding body, amount and date: Medical Research Council, £168,827, May 2001
78. **Title: Cochrane Effective Practice and Organisation of Care group**  
Co-holders: Graham Mowatt (Health Services Research Unit, University of Aberdeen)  
Funding body, amount and date: NHS Research and Development Programme, £375,000 April 2001.
79. **Title: The effect of remuneration and education on the implementation of research evidence to reduce inequalities in oral health.**  
Co-holders: Dr Janet Clarkson, Professor Nigel Pitts (Dental Health Services Research Unit, University of Dundee); Professor Marie Johnston (Department of Health Psychology, University of St Andrews); Dr Jim Rennie Dr Elaine Humphreys (Scottish Council for Postgraduate Medical and Dental Education); Professor Richard Ibbetson (Edinburgh Postgraduate Dental Institute, University of Edinburgh); Professor Frank Sullivan (Department of Primary Care University of Dundee); Dr Tony Scott (Health Economics Research Unit, University of Aberdeen); Dr Craig Ramsay (Health Services Research Unit, University of Aberdeen);

Dr Lorna Macpherson, Dr Madeleine Murray (Glasgow Dental Hospital and School, University of Glasgow); Dr Daffyd Evans (University of Dundee); Dr Chris Southwick (General Dental Practitioner, Tayside)

Funding bodies, amount and date of award: Scottish Higher Education Funding Council, Chief Scientist Office of Scottish Office Department of Health, £382,473, March 2001.

**80. Title: A randomised controlled trial of a Diabetes Recall and Management system for Diabetes: the DREAM Trial.**

Co-holders: Professor Martin Eccles, Dr Nick Steen, Alessandra Vanoli (Centre for Health Services Research, University of Newcastle upon Tyne); Dr Paula Whitty (Department of Epidemiology and Public Health, University of Newcastle upon Tyne); Dr Gillian Hawthorne, Hartlepool and North Tees Acute Trusts.

Funding bodies, amount and date of award: Diabetes UK, Northern and Yorkshire Regional R&D Office, £99,975, January 2001.

**81. Title: Implementing evidence based implementation of guidelines in primary care (PhD studentship)**

Co-holders: Dr Anne Walker, Health Services Research Unit, University of Aberdeen

Funding body, amount and date of award: Chief Scientist Office, £46,351, October 2000.

**82. Title: Does a national clinical effectiveness programme have any impact on the use of a clinical guideline?**

Co-holders: Dr Robbie Foy, Dr Gillian Penney, Department of Reproductive and Developmental Sciences, University of Edinburgh; Craig Ramsay, Luke Vale, Health Services Research Unit, University of Aberdeen; Professor Ian Greer and Dr Andrew Thomson, Department of Obstetrics and Gynaecology, University of Glasgow.

Funding body, amount and date of award: Nuffield Trust, £11,151, September 2000. Books and reviews.

**83. Title: A randomised evaluation of a strategy, delivered within a national clinical effectiveness programme, to improve implementation of a clinical guideline on women requesting induced abortion**

Co-holders: Dr Robbie Foy, Dr Gillian Penney, Department of Reproductive and Developmental Sciences, University of Edinburgh; Craig Ramsay, Dr Anne Walker, Health Services Research Unit, University of Aberdeen; Dr Jim Chalmers, Information and Statistics Division, Edinburgh; Dr Anna Glasier Family Planning and Well Woman Services, Lothian Primary Care NHS Trust.

Funding body, amount and date of award: Chief Scientist Office of Scottish Office Department of Health, £82,477, September 2000.

**84. Title: Structured primary care-based recall and management systems for chronic disease: demonstrator project for managing patients with ischaemic heart disease.**

Co-holders: Professor Phil Hannaford, Department of General Practice, University of Aberdeen; Dr Martin Cowie Department of Medicine and Therapeutics, University of Aberdeen.

Funding body, amount and date of award: Parke Davis educational grant, GBP 50,000 May 2000, 12 months.

**85. Title: Development of European Referral Criteria Guidelines for Health Care Professionals Who Prescribe Imaging Investigations Involving Ionising Radiation**

Co-holders: Professor Gillian Needham, Department of Postgraduate Medical Education, University of Aberdeen

Funding body, amount, and date of award: EU DGXI, 131,838 Euros, April 2000.

**86. Title: MRC Health Services Training Fellowship**

Co-holders: Dr Robbie Foy, Dr Gillian Penney University of Edinburgh

Funding body, amount, and date of award: Medical Research Council, October 1999.

- 87. Title: Exploring patient participation in decision making: the experiences and views of patients and health professionals in diverse clinical contexts**  
 Co-holders: Dr Vikki Entwistle, Dr Anne Walker, Maire O'Donnell, Health Services Research Unit, University of Aberdeen; Ken Gilhooly Department of Psychology, University of Aberdeen; Professor Neva Haites, Department of Clinical Genetics, University of Aberdeen; Professor Ian Watt, Jill Pattenden, Department of Health Studies, University of York; Professor Robert Lewin, University of York; Professor Nicholas Stafford, Royal Hull Hospitals.  
 Funding body, amount and date of award: Department of Health, £247,901, June 1999.
- 88. Title: Cochrane Training and Support Network**  
 Co-holders: Graham Mowatt  
 Funding body, amount and date: NHS Research and Development Programme, £50,000 annually, March 1999.
- 89. Title: The development of patient information materials to promote implementation of SIGN guidelines and improve patients' experiences of care: a comparison of approaches**  
 Co-holders: Dr Vikki Entwistle, Maire O'Donnell, Health Services Research Unit, University of Aberdeen, Patricia Dawson, Scottish Association of Community Health Council  
 Funding body, amount and date of award: Clinical Resource and Audit Group, Scottish Office Department of Health, £112,000, January 1999 for 24 months.
- 90. Title: Guidelines for management of minor illnesses in community pharmacies: a randomised trial of the effectiveness and efficiency of two different dissemination and implementation strategies.**  
 Co-holders Dr Christine Bond, Department of General Practice, University of Aberdeen, Dr Arthur Whitfield, Robert Gordon University; Jill Mollison, Department of Public Health, University of Aberdeen.  
 Funding body, amount and date of award: Chief Scientist Office of Scottish Office Department of Health, £156,648, January 1999 for 24 months.
- 91. Title: AFROIMPLEMENT: Ensuring clinical effectiveness by closing the gap between science and practice: A European/Southern African collaboration – Phase 2**  
 Co-holders: MRC, Cape Town, South Africa (scientific and African co-ordinating centre, lead scientist Merrick Zwarenstein); University of Cape Town, South Africa (Michael Power); Muhimbili University College of Health Sciences, Tanzania (Ferdinand Mugusi); University Teaching Hospital (UTH), Lusaka, Zambia (Connie Osbourne); University of Zimbabwe (Kassam Mahomed); Blair Research Institute, Harare, Zimbabwe (Patricia Ndhlovu); Danish Institute for Health Technology Assessment (Finn Borlum Kristensen); University of Groningen, Netherlands; National Institute of Public Health, Oslo, Norway (Andy Oxman); (Flora Haaijer Ruskamp); Upsala University, Sweden (Gunilla Lindmark); and University of Newcastle upon Tyne, UK (Martin Eccles);  
 Funding body, amount and date of award: EC INCO Programme, 425,000 ECU, Jan 1999 for 36 months.
- 92. Title: Strengthening effective practice: promoting the rigorous development of clinical guidelines in Europe through the creation of a common appraisal instrument**  
 Co-holders: St George's Hospital and Medical School (Co-ordinating Centre, lead scientist Professor Peter Littlejohn); Danish Institute for Health Technology Assessment, Copenhagen, Denmark (Finn Kristensen); National Research and Development Centre for Welfare and Health (STAKES), Helsinki, Finland (Dr Marjukka Makaella); Federational Nationale des Centres de Lutte Contre Le Cancer, Lyon, France (Dr Beatrice Fervers); Service de Sante Publique, Paris, France (Dr Pierre Durieux); Mario Negri Institute, Milan, Italy (Dr Roberto Grilli); Centre for Quality of Care Research (WOK), Nijmegen, Netherlands (Professor Richard Grol); National Organization for Quality Assurance in Hospitals (CBO), Utrecht, Netherlands (Dr Niek Klazinga); Agencia d'Avalucio de Tecnologia Medica, Barcelona, Spain (Dr Albert Jovell); Basque Office for Technology Assessment (OSTEBA), Vitoria-Gasteiz, Spain (Dr Jose Asua); Institute Universitaire de Medecine Sociale et Preventive, Lausanne, Switzerland (Dr Bernard Burnand).  
 Funding body, amount and date: EC BIOMED II Programme, 600,000 ECU, April 1998.

93. **Title: Turning General Practice data into useful knowledge – A randomised trial of two strategies of feedback to improve management of elderly hypertensives using computerised data**  
 Co-holders: Professor Frank Sullivan, University of Dundee, Professor Graham Watt and Ms Elizabeth Mitchell, University of Glasgow; Andrew Walker, Greater Glasgow Health Board.  
 Funding bodies, amount and date of award: Chief Scientist Office of Scottish Office Department of Health, £127,711, March 1998. Clinical Resource and Audit Group of Scottish Office Department of Health, £50,000, March 1998.
94. **Title: Improving the management of epilepsy: a cost-effectiveness evaluation of two strategies for guideline introduction**  
 Co-holders: Dr Danny Ruta, Professor John Bain, Dr Peter Davey, Dr Jim Grant, Mr Simon Ogston University of Dundee; Dr Duncan Davidson, Dr RC Roberts, Ninewells Trust, Dundee.  
 Funding body, amount and date of award: Chief Scientist Office of Scottish Office Department of Health, £148,023, March 1998.
95. **Title: Cochrane Effective Practice and Organisation of Care group**  
 Co-holders: none  
 Funding body, amount and date: NHS Research and Development Programme, £75,000 (annually), March 1998.
96. **Title: Knowledge Management with Canadian Cochrane**  
 Co-holders: none  
 Funding body, amount and date of award: Canadian Institute of Health Research (CIHR), \$1,283,274, 1998 – 2005
97. **Title: Towards efficient guidelines. I. When to develop guidelines**  
 Co-holders: Professor Martin Eccles, University of Newcastle upon Tyne, Professor Allen Hutchison University of Sheffield, Professor Ian Russell University of York, Professor Cam Donaldson, University of Aberdeen  
 Funding body, amount and date of award: NHS R&D programme on Health Technology Assessment, £125,028, August 1997.
98. **Title: Towards efficient guidelines. II. How to develop cost conscious guidelines**  
 Co-holders: Professor Martin Eccles, University of Newcastle upon Tyne, Professor Allen Hutchison University of Sheffield, Professor Ian Russell, University of York, Dr David Torgeson, University of York  
 Funding body, amount and date of award: NHS R&D programme on Health Technology Assessment, £72,886, August 1997.
99. **Title: Towards efficient guidelines. III. How to monitor guideline use in general practice**  
 Co-holders: Professor Martin Eccles, University of Newcastle upon Tyne, Professor Allen Hutchison University of Sheffield, Ms Aileen McIntosh, University of Hull, Professor Ian Russell University of York  
 Funding body, amount and date of award: NHS R&D programme on Health Technology Assessment, £127,000, August 1997.
100. **Title: Prevention of deep vein thrombosis. A randomised trial of three different strategies to implement evidence based guidelines. (Feasibility study)**  
 Co-holders: Mrs Marion Campbell, Professor Cam Donaldson, Professor Adrian Grant, Professor Jim Petrie, University of Aberdeen; Professor Gerry Fowkes, University of Edinburgh; Mr Douglas Harper, Falkirk District General Hospitals Trust; Professor Gordon Lowe, University of Glasgow; Professor Marie Johnston, University of St Andrews.  
 Funding body, amount and date of award: NHS R&D programme on evaluating methods to promote the implementation of R&D, £153,525, 1996.

- 101. Title: Computerised guidelines in the North of England Trial**  
 Co-holders: Dr Martin Eccles, Dr Ian Purves, Dr David Parkin, University of Newcastle upon Tyne; Professor Ian Russell, University of York  
 Funding body, amount and date of award: NHS R&D programme on evaluating methods to promote the implementation of R&D, £789,682, 1996.
- 102. Title: Is the involvement of opinion leaders in the implementation of research findings a feasible strategy?**  
 Co-holders: Dr Tracy Ibbotson, University of Aberdeen; Dr Frank Sullivan, University of Glasgow; Dr Martin Eccles, University of Newcastle upon Tyne; Dr Jim Kahan, RAND Europe  
 Funding body, amount and date of award: NHS R&D programme on evaluating methods to promote the implementation of R&D, £123,218, 1996.
- 103. Title: Identification of opinion leaders in general practice in South Tyneside**  
 Co-holders: Dr Tracy Ibbotson, University of Aberdeen; Dr Martin Eccles, University of Newcastle upon Tyne  
 Funding body, amount and date of award: South Tyneside Medical Audit Advisory Group, £10,000, 1996.
- 104. Title: Systematic review of effectiveness and cost effectiveness of reminder and decision support systems**  
 Co-holders: Dr Jeremy Wyatt, Dr Douglas Altman, Imperial Cancer Relief Fund, UK; Professor Brian Haynes, Health Informatics Research Unit, McMaster University, Canada)  
 Funding body, amount and date of award: NHS R&D programme on evaluating methods to promote the implementation of R&D, £42,000, 1996.
- 105. Title: AFROIMPLEMENT: Ensuring clinical effectiveness by closing the gap between science and practice: A European/Southern African collaboration – Phase 1**  
 Co-holders: Dr Martin Eccles, University of Newcastle upon Tyne, UK; Dr Finn Borlum Kristensen, Danish Institute for Health Services Research and Development, Copenhagen, Denmark; Dr Alessandro Liberati, Instituto Mario Negri, Milan, Italy; Dr Merrick Zwarenstein, Medical Research Council, Cape Town, South Africa; Dr Mike Power, University of Cape Town, South Africa; Professor Kassam Mohammed, University of Harare, Zimbabwe.  
 Funding body, amount and date of award: EC INCO Programme, 300,000 ECU, 1996.
- 106. Title: Royal College of Physicians' of Edinburgh/BUPA Research Fellowship**  
 Co-holders: Professor Jim Petrie, University of Aberdeen  
 Funding body, amount and date of award: Royal College of Physicians' of Edinburgh, £48,000, 1996.
- 107. Title: Changing Professional Practice: Bridging the gap between science and practice: how to change health care provider behaviour through implementing practice guidelines**  
 Co-holders: Dr Finn Borlum Kristensen (Scientist in charge), Danish Institute for Health Services Research and Development, Copenhagen, Denmark; Dr Alessandro Liberati, Instituto Mario Negri, Milan, Italy; Dr Marjukka Makela, National Agency for Welfare and Health, Helsinki, Finland; Dr Flora Haajer Ruskamp, Northern Centre for Health Care Research, Gronongen, Netherlands; Dr Signe Flottorp, Health Services Research Unit, National Institute of Public Health, Oslo; Professor Richard Grol, University of Nijmegen, Netherlands; Dr Martin Eccles, University of Newcastle upon Tyne, UK.  
 Funding body, amount and date of award: EC BIOMED 2 Programme, 600,000 ECU, 1995.

- 108. Title: Cochrane Collaboration on Effective Professional Practice**  
 Co-holders: None  
 Funding body, amount and date of award: NHS R&D Regional Directorates in England, Welsh Office of Research and Development, Chief Scientist Office of Scottish Office Department of Health, Northern Ireland Department of Health and Social Services, £400,000, 1995.
- 109. Title: Infertility guidelines**  
 Co-holders: Professor Allan Templeton, University of Aberdeen; Dr Jillian Morrison, Professor Graham Watt, Professor Iain Cameron, University of Glasgow; Dr Sarah Twaddle, Greater Glasgow Health Board  
 Funding body, amount and date of award: NHS R&D Programme on the Primary - Secondary Care Interface, £145,292, 1995.
- 110. Title: Critical appraisal of clinical guidelines**  
 Co-holders: Ms Francoise Cluzeau, Dr Peter Littlejohns, St George's Teaching Hospital and Medical School; Dr Gene Feder, St Bartholomew's Medical School  
 Funding body, amount and date of award: NHS R&D Programme on the Primary - Secondary Care Interface, £50,000 1995.
- 111. Title: Involving the consumer in purchasing decisions - a consensus development conference approach**  
 Co-holders: Dr Brenda Wilson, University of Aberdeen; Ms Hilary Blumer, Dr Hamish Wilson, Grampian Health Board  
 Funding body, amount and date of award: Chief Scientist Office of Scottish Office Department of Health, £7,000, 1995.
- 112. Title: An evaluation of a guideline based open access urological investigation service**  
 Co-holders: Mr Sam McClinton, Dr Heather Deans, Aberdeen Royal Hospitals Trust; Dr Jim Repper, Mr David Torgesson, University of Aberdeen.  
 Funding body, amount and date of award: Chief Scientist Office of Scottish Office Department of Health, £108,974, 1994.
- 113. Title: Towards better practice: a national survey of general practice management**  
 Co-holders: Mrs Hermione Youngs, Aboyne Medical Practice  
 Funding body, amount and date of award: Chief Scientist Office of Scottish Office Department of Health, £5,000, 1992.
- 114. Title: Annotated bibliography of clinical guidelines**  
 Co-holders: Ms Sheila Wallace, University of Aberdeen  
 Funding body, amount and date of award: Chief Scientist Office of Scottish Office Department of Health, £13,000, 1994.
- 115. Title: National guidelines and local protocols for menorrhagia and urinary incontinence - feasibility and effectiveness**  
 Co-holders: Dr Yogesh Chadha, Dr Marion Hall, Professor Ian Russell, University of Aberdeen;  
 Funding body, amount and date of award: Chief Scientist Office of Scottish Office Department of Health, £214,000, 1992.
- 116. Title: Grampian Health Outcomes Study**  
 Co-holders: Dr Danny Ruta, Professor Elizabeth Russell, Professor Ian Russell, University of Aberdeen; Dr Bill Reith, Grampian Health Board.  
 Funding body, amount and date of award: Chief Scientist Office of Scottish Office Department of Health, £90,000, 1990.

- 117. Title: Evaluation of four quality assurance initiatives to improve the referral process**  
Co-holders: Dr Ian Russell, Dr Ross Taylor, University of Aberdeen.  
Funding body, amount and date of award: Wellcome Training Fellow in Health Services Research, £100,000, 1989, and Medical Research Council, £50,000 in 1989.

National guidelines and local protocols for women with menorrhagia or urinary incontinence: feasibility and effectiveness in improving process and outcome of care. Final Report. University of Aberdeen: Health Services Research Unit.
21. **Grimshaw JM**, Freemantle N, Langhorne P, Song F (1995). *Complexity and systematic reviews*. Report to the US Congress of Technology Assessment. Office of Technology Assessment, Washington DC.

### Other reports, commissions and exhibitions

1. **Grimshaw JM**. Oral evidence to House of Lords Select Committee on Science and Technology, Subcommittee 1 - Resistance to Antimicrobial Agents. <http://www.parliament.the-stationery-office.co.uk/pa/ldl99798/ldselect/ldsctech/081vii/st0701.htm>. London, December 1997.
2. Bero L, Freemantle N, Grilli R, **Grimshaw JM**, Harvey E, Oxman AD, Thomson MA (1995). Closing the gap between research and practice: an overview of systematic reviews of interventions to promote implementation of research findings by health care professionals. Report to the Advisory Committee of the Member of Advisory Group for the NHS R&D programme on evaluating methods to promote the implementation of R&D, 1995. Aberdeen, University of Aberdeen, Health Services Research Unit (mimeo).

## SELECTED PRESENTATIONS SINCE 1995

### Papers or posters presented at Meetings (refereed)

- 2010** Jensen JL, Vaillancourt C, Tweedle J, Kasaboski A, Charette M, **Grimshaw J**, Brehaut J, Osmond MH, Wells GA, Stiell IG. Factors Associated with the Successful Recognition of Agonal Breathing and Cardiac Arrest by 9-1-1 Communications Officers: A Qualitative Iterative Survey. *Oral presentation at the Canadian Association of Emergency Physicians, Montreal, June 2010.*
- Vaillancourt C, Kasaboski A, Charette M, Islam R, Brehaut J, **Grimshaw J**, Osmond MH, Wells GA, Stiell IG. Attitudes and Factors Associated with Successful CPR Knowledge Transfer in an Older Population Most Likely to Witness Cardiac Arrest: A National Survey. *Oral presentation at the Canadian Association of Emergency Physicians, Montreal, June 2010.*
- Sketris IS, Fisher J, Langille Ingram E, Bowles S, Davis P, Farrell L, **Grimshaw J**, Hazelton L, Hurley K, Lummis H, Sargeant J. 2010. Audit and Feedback Workshop – Canadian Agency for Drugs and Technologies in Health 2010 Symposium – “Evidence, Advice, Recommendations: Delivering Value for Money in Health Care for Canadians”. Halifax, Nova Scotia. April 18-20.
- 2009** Gagliardi AR, Brouwers MC, Palda VA, Lemieux-Charles L, **Grimshaw J**. How can we improve guideline utilization? A conceptual framework of implementability. *Guidelines International Network Conference, Lisbon, Portugal, November 2 to 4, 2009 (poster). Awarded Poster Prize*
- Mayhew A, Grimshaw J, Gruen R, Ramsay CR (2009). Conducting systematic reviews of complex interventions using experimental and quasi experimental designs. Workshop presentation at *17<sup>th</sup> Cochrane Colloquium, Singapore October 2009.*
- Weir M, Mayhew A, Fergusson D, **Grimshaw J** (2009). An exploratory analysis of lumping and splitting in systematic reviews. Presented at the *17<sup>th</sup> Cochrane Colloquium, Singapore October 2009.*
- Weir M, Mayhew A, Worswick J, Fergusson D, **Grimshaw J** (2009). The epidemiology and quality of

systematic reviews of health professional behaviour change interventions. (Poster) Presented at the 17<sup>th</sup> *Cochrane Colloquium, Singapore October 2009.*

O'Connor D, Murphy K, French S, McKenzie J, Keating J, Walker B, **Grimshaw J**, Michie S, Francis J, Page M, Beringer K, Green S. Use of theory to identify and address barriers and enablers to uptake of evidence-based guidelines for acute low-back pain by Australian physiotherapists and chiropractors: Phase 1 of the ALIGN project. Poster presentation at the *Low Back Pain Primary Care Forum, 14-17 June 2009, Boston, US*

Bennett C, Khangura S, Brehaut J, Graham I, Moher D, Potter B, **Grimshaw J**. Quality of Survey Reporting in High Impact Factor Journals. Oral presentation, *International Congress on Peer Review and Biomedical Publication, Vancouver, BC, September 2009.*

Khangura S, Bennett C, Brehaut J, **Grimshaw J**, Moher D, Potter B. High Impact Factor Journals Offer Limited Guidance to Authors Reporting Survey Research. Poster presentation, *International Congress on Peer Review and Biomedical Publication, Vancouver, BC, September 2009.*

Bennett C, Khangura S, Brehaut J, Moher D, Potter B, **Grimshaw J**. Reporting Guidelines for Surveys: Limited Guidance and Little Adherence. Poster presentation, *International Congress on Peer Review and Biomedical Publication, Vancouver, BC, September 2009.*

Francis JJ, Johnston M, Robertson C, Glidewell L, Entwistle V, Eccles MP, **Grimshaw JM**. What is an adequate sample size? A proposed method for operationalising data saturation for theory-based interview studies. Oral presentation, *Annual conference of the Division of Health Psychology, British Psychological Society, Aston University, 9th-11th September 2009.*

Middleton S, Levi C, D'Este C, Dale S, Griffiths R, **Grimshaw J**, Ward J, Evans M, Quinn C, Cadilhas D. Death dependency and health status 90 days following stroke in nsw: baseline results from the quality in acute stroke care (QASC) project. *SmartStokes 2009 ASM; Star City, Sydney, 6, 7 August 2009*

**Grimshaw J**, Stevens A, Mayhew A, Leslie B. Changing Professional Behaviour: An Updated Overview of Systematic Reviews. Oral presentation. *7<sup>th</sup> Canadian Cochrane Symposium, Halifax, March 2009.*

Weir M, Mayhew A, Worswick J, Smith K, Bussi eres A, Salzwedel D, **Grimshaw J**. The identification and quality assessment of systematic reviews of health professional behavior change interventions. Oral presentation *7<sup>th</sup> Canadian Cochrane Symposium, Halifax, March 2009.*

Mayhew A, Santesso N, Stevens A, Weir M, Leslie B, Grimshaw J. Cochrane Inside: Working with CADTH to create tools for decision makers. Poster presentation. *7<sup>th</sup> Canadian Cochrane Symposium, Halifax, March 2009.*

**2008** Francis J, Stockton C, Johnston M, Eccles MP, Stanworth S, Cuthbertson BH, Hyde, C, Tinmouth A, **Grimshaw J**. Predicting behavioural simulation from standard rating versus 'direct estimation' measure of intention, for transfusion behaviour. Oral presentation, *combined conference of the European Health Psychology Society and British Psychological Society Division of Health Psychology, Bath, UK, 9th-12th September 2008.*

**Grimshaw J**, Mayhew A, Stevens A, Leslie B. Changing Professional Behaviour: An Updated Overview of Systematic Reviews. *Poster presentation Canadian Association of Health Services and Policy Research, Gatineau, May 2008.*

**Grimshaw J**, Mayhew A, Stevens A, Graham S.. Changing Professional Behaviour: An Updated Overview of Systematic Reviews. *Oral presentation Canadian Cochrane Symposium, Edmonton, March 2008.*

**2007** Hrisos S, Eccles MP, Johnston M, Francis JF, Kaner EFS, Steen IN, **Grimshaw J**. Using psychological theory to develop the content of interventions to promote GP management of upper respiratory tract infection without prescribing antibiotics. Poster presentation at the *UK Society for Behavioural Medicine Annual Scientific Meeting, Warwick University, 10<sup>th</sup> December 2007.*

- Hrisos S, Eccles MP, Johnston M, Francis JF, Kaner EFS, Steen IN, **Grimshaw J**. Evaluation of theory-based interventions to change GPs' intentions to implement evidence-based practice: a randomised controlled trial. Paper presented at the *UK Society for Behavioural Medicine Annual Scientific Meeting, Warwick University, 10<sup>th</sup> December 2007*.
- Hrisos S, Eccles MP, Hawthorne G, Johnston M, Hunter M, Steen IN, Francis JF, Eliovanio M, **Grimshaw J**. Improving The Delivery Of Care For Patients With Diabetes. Paper presented at *PCRN Northern & Yorkshire/MRC GPRF Research Day, York, 16th November, 2007*.
- Hrisos S, Eccles MP, Johnston M, Francis JF, Little P, Steen IN, **Grimshaw J**. Optimising Antibiotic Use In Respiratory Tract Infection In Primary Care: IES Trial Platform Grant Application. Paper presented at *PCRN Northern & Yorkshire/MRC GPRF Research Day, York, 16th November, 2007*.
- Doyle J, Waters E, Mayhew A, **Grimshaw J**. A staged approach to Review Group registration – a case study. *XV Cochrane Colloquium Sao Paulo, Brasil, October 2007*
- Grimshaw J**, Mayhew A, Stevens A, Graham S. Changing professional behaviour: an updated overview of systematic reviews. *XV Cochrane Colloquium Sao Paulo, Brasil, October 2007*
- Grimshaw, J**, Mayhew A, Tavender E, Johansen M. Preparing and writing a Cochrane Effective Practice and Organisation of Care (EPOC) review. *XV Cochrane Colloquium Sao Paulo, Brasil, October 2007*
- Grimshaw J**, McGowan J, Salzwedel D. Update of the EPOC methodological search filter. *XV Cochrane Colloquium Sao Paulo, Brasil, October 2007*
- Grimshaw J**, Tove D, Mayhew A. Incorporating cluster-randomized trials into systematic reviews. *XV Cochrane Colloquium Sao Paulo, Brasil, October 2007*
- Mayhew A, Santesso N, **Grimshaw J**. Overcoming challenges for overviews of reviews in evidence based prescribing and drug use by the Effective Practice and Organisation of Care and Consumers and Communication Cochrane Review Groups. *XV Cochrane Colloquium Sao Paulo, Brasil, October 2007*
- Middleton S, Levi C, D'Este C, Dale S, Griffiths R, Grimshaw J, Ward J, Evans M, Quinn C, Cadilhac D. Death, dependency and health status 90 days following stroke in NSW: interim results from the Quality in Acute Stroke Care (QASC) project. *Stroke Society Of Australasia, Annual Scientific Meeting Perth, Australia October 2007*
- Santesso N, Stevens A, Mayhew A, Ryan R, Hill S, **Grimshaw J**. Cochrane Inside: Working with a national agency to create tools for decision makers. *XV Cochrane Colloquium Sao Paulo, Brasil, October 2007*
- Tavender E, Gruen R, Mayhew A, Salzwedel D, **Grimshaw J**. Cochrane Review Group Satellites – an effective way to increase review group capacity? Experiences from the Cochrane Effective Practice and Organisation of Care (EPOC) Group. *XV Cochrane Colloquium Sao Paulo, Brasil, October 2007*
- French SD, McKenzie JE, Spike N, Schattner P, O'Connor DA, **Grimshaw JM**, Buchbinder R, Green SE, and the IMPLEMENT Study Group. Recruitment of general practitioners into a cluster randomised controlled trial: the IMPLEMENT trial experience. Platform presentation at the *Third International Clinical Trials Symposium, Sydney, Australia, September 2007*
- Brouwers Melissa, Burgers Jako, Cluzeau Francoise, Davis Dave, Feder Gene, Beatrice Fervers, **Grimshaw Jeremy**, Hanna, Kho Michele, Littlejohns Peter, Makarski Julie, Ollenschlaeger Guenter, and the AGREE II Next Steps Group (2007) AGREE Next Steps: Continuous Quality Improvement in the Evaluation of Clinical Practice Guidelines. *4<sup>th</sup> Annual G-I-N Conference, Toronto, August 2007*
- French Simon, O'Connor Denise, Michie Susan, Francis Jill, Grimshaw Jeremy, McKenzie Joanne, Buchbinder Rachelle, Spike Neil, Green Sally, and the IMPLEMENT Study Group (2007) Developing a Guideline Implementation Strategy Using a Theoretical Framework: The Intervention for the Implement Trial. *4<sup>th</sup> Annual G-I-N Conference, Toronto, August 2007*

**Grimshaw Jeremy**, Mayhew Alain, Stevens Adrienne, Graham Stephen (2007) Changing Professional Behaviour: An Updated Overview of Systematic Reviews. *4<sup>th</sup> Annual G-I-N Conference, Toronto, August 2007*

Hill Sophie, Ryan Rebecca Ryan, Santesso Nancy, Graham Stephen, **Grimshaw Jeremy** (2007). Identifying, Assessing, Summarising and Presenting Evidence for Prescribing and Drug Use Interventions Directed to Consumers. *4<sup>th</sup> Annual G-I-N Conference, Toronto, August 2007*

O'Connor Denise, Green Sally, French Simon, King Sharon, Francis Jill, **Grimshaw Jeremy**, Michie Susan, McKenzie Joanne, Spike Neil, Schattner Peter, and the IMPLEMENT Study Group (2007) Identifying General Practitioner Beliefs, Intentions and Behaviour Toward Uptake of an Evidence-Based Guideline for Acute Low-Back Pain Using the Theory of Planned Behaviour. *4<sup>th</sup> Annual G-I-N Conference, Toronto, August 2007*

Wilson BJ, **Grimshaw J**. Genetic literacy symposium: overview of effective educational approaches in primary care. *18<sup>th</sup> WONCA World Conference, 2007. (oral)*

Uman L, **Grimshaw J**. Conducting Systematic Reviews in Psychology (Workshop). *Annual Convention of the Canadian Psychological Association, Ottawa, June 2007.*

Krezla-Jeric K, Dickerson K, Chan A-W, Goodyear M, **Grimshaw J**, Glud C, Sim I for the Ottawa Group (2007). The Ottawa Statement of Clinical Trial Registration and Reporting (Poster). *Society of Clinical Trials, Montreal, May 2007*

Haggart F, **Grimshaw J**, Mamazza J, Fergusson D, Mayhew A, Poulin E, Boushey R. A systematic review of effective technical surgical skills interventions. *5<sup>th</sup> Canadian Cochrane Symposium. Ottawa February 2007.*

**2006** Austin M, Brazzelli M, Fraser C, Counsell C, Needham G, **Grimshaw J**. A sensitive MEDLINE search strategy to retrieve studies of diagnostic imaging test performance (Poster). *XIV Cochrane Colloquium, Dublin, Ireland, October 2006.*

Bonetti D, Pitts NB, Clarkson J, Johnston M, Eccles MP, **Grimshaw JM**, Glidewell L, Thomas RE, MacLennan G. (2006) Predicting behaviours of general dental practitioners. *Proceedings of BPS, Division of Health Psychology Conference, University of Essex, September (pp.20-21).*

Clarkson J for the ERUPT Study Group [Grimshaw JM]. Impact of caries prevention implementation strategies: A CRCT in dental primary care. *53<sup>rd</sup> ORCA Congress, Crowne Plaza Hotel, Glasgow, 5 July 2006.*

French S, O'Connor D, Michie S, Francis J, **Grimshaw J**, Buchbinder R, McKenzie J, Green S. Developing an implementation strategy using a theoretical framework: the intervention for the IMPLEMENT trial. *Poster presented at the Using Evidence, Using Guidelines Symposium, Nation Institute of Clinical Studies, 19-20 October 2006, Melbourne, Australia.*

Glidewell L, MacLennan G, Thomas R, Johnston M, Francis J, Eccles M, on behalf of the PRIME group [**Grimshaw JM**]. *Oral presentation, European Health Psychology Conference 20<sup>th</sup> Conference of the EHPS "Social change and new challenges for health psychology" Warsaw, Poland, August 30<sup>th</sup> – September 2<sup>nd</sup>, 2006.*

**Grimshaw J**, McGowan J, Mayhew A, Tavender E. Preparing and writing a Cochrane Effective Practice and Organisation of Care (EPOC) review (workshop). *XIV Cochrane Colloquium, Dublin, Ireland, October 2006.*

Mayhew A, Tavender E, Prictor M, **Grimshaw J**. Developing a policy for managing reviews across more than one Cochrane Review Group (Poster). *XIV Cochrane Colloquium, Dublin, Ireland, October 2006.*

Mayhew A, Tavender E, Doyle J, Armstrong R, Waters E, **Grimshaw J** (Poster). Facilitating collaboration between Cochrane Fields and Review Groups: a case study. *XIV Cochrane Colloquium, Dublin, Ireland, October 2006.*

McGowan J, Sampson M, Salzwedel D, Daniel R, **Grimshaw J**. Bibliographic analysis of the Cochrane Effective practice and Organisation of Care Group's reviews (Poster). *XIV Cochrane Colloquium, Dublin, Ireland, October 2006*.

McGowan J, Salzwedel D, Tugwell P, **Grimshaw J**. Citation rates of Cochrane reviews versus non Cochrane reviews (Poster). *XIV Cochrane Colloquium, Dublin, Ireland, October 2006*.

Moher D, Eccles M, **Grimshaw J**, Garritty C, Sampson M, Tsertsvadze. A provisional model for when to update systematic reviews (Poster). *XIV Cochrane Colloquium, Dublin, Ireland, October 2006*.

O'Connor D, Green S, French S, **Grimshaw J**, Spike N, Schattner P, McKenzie J, King S, Michie, S, Francis J. Using a theoretical framework to identify and address barriers to the uptake of evidence-based clinical practice guidelines in general practice. *Poster presented at the International Forum VIII: primary care research on low back pain, Amsterdam, Netherlands, 8-10 June 2006*.

O'Connor D, Green S, King S, French S, **Grimshaw J**, Spike N, Schattner P, Michie S, Francis J, McKenzie J. Understanding barriers and enablers to guideline implementation using a theoretical framework. *Platform presentation at the Using Evidence, Using Guidelines Symposium, National Institute of Clinical Studies, Melbourne, Australia, 19-20 October 2006*.

### ***Invited/Non-Invited International Presentations***

**2010** **Grimshaw J.** What is the evidence base for Knowledge Translation: what works? *Presented at Knowledge translation in health: what it is and how to do it – workshop organized by the Australasian satellite of the Cochrane Effective Practice and Organisation of Care group, Melbourne, March 2010.*

**Grimshaw J.** Changing practice: what works, what doesn't. *Presented at Evidence on trial: has it made any impact on health. Symposium organized by the New Zealand branch of the Australasian Cochrane Centre, Auckland, March 2010.*

**2009** **Grimshaw J.** 'The audacity of it' The Cochrane Collaboration Strategic Review'. Plenary presentation at the 17<sup>th</sup> Cochrane Colloquium, *Singapore October 2009*

**Grimshaw J.** Knowledge translation research – opportunities for chiropractic researchers to develop and undertake KT research. *Workshop to Advance the Canadian Chiropractic Research Agenda, Montreal, October 2009.*

**Grimshaw J.** Knowledge translation. *Invited workshop, Canadian Society for Internal Medicine, Ottawa, October 2009.*

**Grimshaw J.** Knowledge synthesis. How do we know what we know? *Canadian Cochrane Centre national webinar series, Ottawa, September 2009.*

**Grimshaw J.** Knowledge translation 101. Plenary presentation. *Canadian Society for Life Sciences, Ottawa, September 2009.*

**Grimshaw J.** Knowledge translation 101. *Workshop at the CIHR IRCH Young Investigators forum, Kanata, May 2009.*

**Grimshaw J.** Challenges and opportunities for knowledge translation. *CANNECTIN Spring meeting, Hamilton, May 2009.*

**Grimshaw J.** Improving professional practice: an overview of reviews. Oral presentation. *Evidence-based medicine (EBM) and Cochrane reviews: challenges and opportunities. Rigshospitalet, Copenhagen. April 2009.*

**2008** **Grimshaw J.** A brief history of KT. *Bridging the Gap in the Translational Superhighway: Knowledge Translation Research as a Method to Improve Return on the Public's Research Investment seminar, John Hopkins University School of Medicine, Baltimore, November 2008.*

**Grimshaw J.** Designing knowledge translation research. *Bridging the Gap in the Translational Superhighway: Knowledge Translation Research as a Method to Improve Return on the Public's Research Investment seminar, John Hopkins University School of Medicine, Baltimore, November 2008.*

**Grimshaw J.** Moving research into policy and clinical practice — an updated overview of systematic reviews of professional behavior. *Impact of Systematic Reviews Symposium, VU University Medical Center, Amsterdam, Netherlands, October 2008.*

**Grimshaw J.** Planning evidence informed change in health care systems. . *All about evidence workshop organised by the Memorial Cochrane Network Site, Canadian Agency for Drugs and Technology in Health Care and Memorial University Centre for Applied Health Research, St Johns, Newfoundland, September 2008.*

**Grimshaw J.** Introduction to the Cochrane Collaboration. *All about evidence workshop organised by the Memorial Cochrane Network Site, Canadian Agency for Drugs and Technology in Health Care and Memorial University Centre for Applied Health Research, St Johns, Newfoundland, September 2008.*

**Grimshaw J.** Introduction to evidence informed decision making. *All about evidence workshop organised by the Memorial Cochrane Network Site, Canadian Agency for Drugs and Technology in Health Care and Memorial University Centre for Applied Health Research, St Johns, Newfoundland, September 2008.*

**Grimshaw J.** Developments in knowledge translation. *Making A Difference In Healthcare: 20 Years Of Health Services Research Seminar . Organised by the Health Services Research Unit, University of Aberdeen, Aberdeen, UK July 2008.*

**Grimshaw J.** Crafting the message and disseminating the research results. In Knowledge Translation: How to Get Your Research to the People to Whom It Matters Most Panel session. *International Association for Dental Research, Toronto, July 2008.*

**Grimshaw J.** The Art and Science of KT – a provider and service delivery perspective. *Knowledge Translation 08, Banff June 2008*

**Grimshaw J.** Round table on knowledge translation (Co-leader). *Canadian Association of Health Services and Policy Research, Gatineau, May 2008.*

**Grimshaw J.** Evidenced-based QI and Knowledge Translation – Barriers and Solutions to the Implementation of QI. *American Heart Association Quality of Care and Outcomes conference, Baltimore, April 2008.*

Sales A, **Grimshaw J**, Francis JJ, Sniehotta F. Teaching old (and not so old) dogs new tricks: Applying behavioral theory to improve quality. Pre conference workshop at the *American Heart Association Quality of Care and Outcomes conference, Baltimore, April 2008.*

**Grimshaw J.** Moving Evidence into Policy and Practice *Investing in Evidence for Better Health Care. 2<sup>nd</sup> South Asian Regional Symposium on Evidence Informed Health Care. Vellore, India, April 2008*

**Grimshaw J.** Towards a better understanding of professional behaviour change. Keynote presentation. Seminar to celebrate 1<sup>st</sup> Anniversary of the National Institute of Clinical Studies joining the NHMRC, *Melbourne, Australia, April 2008.*

**Grimshaw J.** Moving from good evidence to good practice *What to do when the evidence tells you something you don't want to know? Seminar organised by the Cochrane Consumers and Communication group, Melbourne, Australia 2008.*

**Grimshaw J.** What do we mean by knowledge translation? *Knowledge translation workshop, organised by the Australian Satellite of the Cochrane Effective Practice and Organisation of Care group, Melbourne, Australia, March 2008.*

**Grimshaw J.** The current evidence base for knowledge translation, identified gaps and ways to move forward? *Knowledge translation workshop, organised by the Australian Satellite of the Cochrane Effective Practice and Organisation of Care group, Melbourne, Australia, March 2008*

**Grimshaw J.** Evidence and EBM is not enough: Building knowledge transfer and uptake infrastructure for health care. *Evidence Soup for the Policy Maker's Soul, 20th Anniversary Health Policy Conference, Centre for Health Services and Policy Research, Vancouver, February 2008.*

- 2007 Grimshaw J.** Improving the scientific basis of health care research dissemination and implementation (Keynote address) *NIH Conference on Building the Science of Dissemination and Implementation in the Service of Public Health, Washington, September 2007.*
- Grimshaw J.** What we know about changing organizations and provider behaviour. *Sixth Annual Summer Institute on Evidence-Based Practice: Quality and Safety, San Antonio, Texas, July 2007.*
- Grimshaw J.** Enhancing informativeness of evaluations of professional behaviour change. *University of Toronto Centre for Knowledge Translation Program Rounds, Toronto, June 2007*
- Grimshaw J.** Determinants of prescribing practices. *Health Council of Canada meeting on Optimising Prescribing Practices, Montreal, June 2007.*
- Grimshaw J.** Disseminating and implementing guidelines. *ATS/ERS Integrating and Coordinating Efforts in Chronic Obstructive Pulmonary Disease (COPD) Guideline Development Workshop, Washington, May 2007.*
- Grimshaw J (participant).** Open forum on pharmacy practice research (panel discussion). *Canadian Pharmacists Association AGM, Ottawa, May 2007.*
- Grimshaw J.** Knowledge infrastructure for KT (Plenary presentation). *Canadian Health Libraries Association, Ottawa, May 2007.*
- Grimshaw J.** How has the Cochrane Collaboration promoted the methods and findings of randomized trials? (Plenary presentation). *Society of Clinical Trials, Montreal, May 2007.*
- Grimshaw J.** Research Methodology in KT. (Parallel presentation). *Academic Emergency Medicine Consensus Conference on Knowledge Translation, Chicago, US May 2007.*
- Grimshaw J.** Supporting evidence-based decision making: the complexity of professional behaviour change. *Grand Rounds, Fredericton, New Brunswick, May 2007.*
- Grimshaw J.** Evidence based implementation of evidence based guidance. (Parallel session) *Meeting on Maternal and Childbirth Health Systematic Reviews, Centre for Evidence Based Global Health, Tulane School of Public Health, New Orleans, March 2007.*
- Grimshaw J.** Improving the science of knowledge translation (Plenary session) *Meeting on Maternal and Childbirth Health Systematic Reviews, Centre for Evidence Based Global Health, Tulane School of Public Health, New Orleans, March 2007.*
- Grimshaw J.** The Cochrane Collaboration in Canada (Plenary). *5<sup>th</sup> Canadian Cochrane Symposium. Ottawa February 2007.*
- Grimshaw J.** Disseminating Knowledge is Both a Challenge and an Opportunity – A ‘Fireside Chat’ (Panel discussion). *5<sup>th</sup> Canadian Cochrane Symposium. Ottawa February 2007.*
- Grimshaw J.** Smoke and mirrors: where is the K for KT? *UBC School of Rehabilitation and Vancouver Coastal Health Research Institute seminar, Vancouver, February 2007.*
- Grimshaw JM.** More questions than answers: the complexity of professional behavior change. *HealthCare Partners, Minneapolis, January 2007.*
- Grimshaw JM.** Towards evidence based implementation. *University of Minnesota Academic Health Center Office of Clinical Research Distinguished Visiting Scholar Series, Minneapolis, January 2007*
- 2006 Grimshaw JM** Doing more harm than good? Inappropriate early adoption of clinical research findings (Invited plenary panel). *Campbell Collaboration Colloquium, Los Angeles, US, Feb 2006.*
- Grimshaw JM.** Improving knowledge translation: the complexity of professional behavior change (Grand Rounds). *University of Ottawa Mental Health Research Institute, February 2006.*

**Grimshaw JM.** Methodological issues relating to complex interventions and non randomised studies in systematic reviews (By teleconference). *Oregon Evidence Based Practice Centre Systematic Review Discussion Group, Portland, April 2006.*

**Grimshaw JM.** Future prospects for evidence-based medicine: getting closer to the destination (Grand Rounds). *Des Moines University, Iowa, May 2006.*

**Grimshaw JM.** The academic argument for clinical practice guidelines (Plenary presentation). Summer Institute Center of Aging, Minneapolis, June 2006.

**Grimshaw JM.** More questions than answers: the complexity of professional behavior change (Grand Rounds). *Mayo Clinic, Rochester, US July 2006.*

**Grimshaw JM.** Advancing knowledge translation: More theory, less theories needed (Keynote address). *Knowledge Utilization 06, Minneapolis, July 2006.*

**Grimshaw JM.** Knowledge translation for implementing evidence based health care. *University of Calgary, August 2006.*

**Grimshaw JM.** Smoke and mirrors: where is the K for KT? (Keynote address). *Joint CIHR Institute of Genetics and Institute of Health Services and Policy Research Workshop, Ottawa, November 2006.*

**Grimshaw JM.** Supporting reviews of interventions to improve health care systems and health care delivery: the Cochrane Effective Practice and Organisation (EPOC) Group. *Norwegian Knowledge Centre for the Health Services, Oslo, Norway, November 2006*

**Grimshaw JM.** The Cochrane Collaboration and the Cochrane Effective Practice and Organisation of Care review group. *Supporting evidence-informed decisions about healthcare systems in low and middle income countries, Oslo, Norway, November 2006.*

**Grimshaw JM.** Towards evidence based implementation (Plenary Presentation). *Putting Evidence into Practice, University of Alberta, Edmonton, November 2006.*

**2005** Davies P, **Grimshaw JM.** Effective Synthesis: Relative Role of Researchers & Decision Makers (Invited workshop). *CHSRF annual workshop, Montreal, March 2005.*

Graham I, Tetroe J, **Grimshaw J**, Robinson N, Hébert P. How are Canadian Health Researchers Promoting the Uptake of their Findings? (Invited panel session) *Academy Health's Annual Research Meeting, Boston, June 2005*

**Grimshaw JM.** Current evidence on changing behaviour of health care providers (Plenary presentation). *Influencing Provider Behavior in the Medication Use Process, Alberta Drug Utilisation Program, Calgary, February 2005.*

**Grimshaw JM** Evaluation issues and frameworks for assessing behavioural change (Invited workshop). *Influencing Provider Behavior in the Medication Use Process, Alberta Drug Utilisation Program, Calgary, February 2005.*

**Grimshaw JM** Improving knowledge translation: the complexity of professional behavior change *University of British Columbia, February 2005.*

**Grimshaw JM** Making information useful for decision makers (Plenary presentation). *CCOHTA Health Technology Assessment Conference, Ottawa, April 2005.*

**Grimshaw JM** Improving knowledge translation: the complexity of professional behavior change . *Lawson Health Research Institute, University of Western Ontario, April 2005*

**Grimshaw JM** The why and what of KT (Invited panel session) *Society for Academic Emergency Medicine Annual Meeting, New York, June 2005*

**Grimshaw JM** Knowledge Translation: Making Changes Based on the Evidence (Plenary presentation). *Canadian Association Of Physical Medicine and Rehabilitation Meeting, Ottawa, June 2005*

**Grimshaw JM.** Guideline implementation – what works and what doesn't (Invited workshop) *Guideline Implementation – a Guided Tour organized by the National Institute for Clinical Studies, Melbourne, Australia October 2005*

**Grimshaw JM.** More questions than answers: the complexity of professional behaviour change (Invited seminar) *Centre for Health Economics and Policy Analysis, McMaster University, 2005.*

**Grimshaw JM.** Knowledge synthesis for knowledge translation: the role of the Canadian Cochrane Network. *3<sup>rd</sup> Canadian Cochrane Symposium, Montreal, November 2005.*

**2004 Grimshaw JM.** Improving Professional Practice: Methods & Findings of Implementation Research *The Al Hammadi Lecture Royal College of Physicians of Edinburgh Symposium, Edinburgh, UK Jan 2004*

**Grimshaw JM.** Grand Rounds, Hackensack Medical Centre, Hackensack, NJ, USA Jan 2004

**Grimshaw JM.** More questions than answers: the complexity of professional behavior change (Grand rounds). *Royal Women's Hospital, Melbourne. Australia, June 2006.*

**Grimshaw JM.** More questions than answers: the complexity of professional behavior change. *University of Alberta, Edmonton, 2004.*

**Grimshaw JM.** The Challenge of Knowledge Translation (Invited panel session). *Canadian Association of General Surgeons, Ottawa, 2004.*

**Grimshaw JM.** The complexity of performance change (Plenary presentation). *American Association of Medical Colleges, Santa Monica, US, Feb 2005*

**Grimshaw JM.** A case study of collaboration between a Cochrane review group and an Evidence based practice center. *US Cochrane Contributors' meeting, Providence, US, Mar 2005.*

**Grimshaw JM.** Changing Physician Behaviour in the Real World: Lessons from Guideline Implementation (Plenary presentation). *CME Congress; Toronto, May 2004*

**Grimshaw JM.** Translating research into practice: evidence based, theoretical and pragmatic approaches (Plenary presentation). *Australasian Cochrane Contributors' meeting, Sydney, Australia, June 2004.*

**Grimshaw JM.** Translating research into practice: evidence based and pragmatic approaches. *Silagy Seminar, Monash University, Melbourne, Australia, June 2004.*

**Grimshaw JM.** More questions than answers: the complexity of professional behavior change (Plenary presentation) *Translating Research into Practice, Washington, US July 2004*

**Grimshaw JM.** Towards Evidence Based Culture in clinical practice. *15<sup>th</sup> Anniversary WOK, Nijmegen, Netherlands, September 2004.*

**Grimshaw JM.** So what do we want from methodologists? (Plenary presentation). *Cochrane Colloquium, Ottawa, October 2004.*

**Grimshaw JM.** Translating Systematic Reviews into Practice: The Cochrane EPOC Experience. *Inaugural University of Ottawa Evidence-based Practice Center Seminar, February 2004*

**Grimshaw M, Ho K.** Incorporating Knowledge Translation into Your Research Program. *CIHR Institute of Circulatory and Respiratory Health Young Investigators Forum, Winnipeg May 2004.*

**Grimshaw JM, Gruen R.** Methods of systematic reviews of professional and organisational interventions to improve health care delivery and systems (Training workshop). *Australasian Cochrane Contributors' meeting, Sydney, Australia, June 2004.*

**Grimshaw JM, Kendall Ho.** Incorporation Knowledge Translation into Your Research Program. *National Research Forum for Young Investigators in Circulatory and Respiratory Health, May 2004.*

**2003 Grimshaw JM.** Changing Physician Behaviour: Evidence from Rigorous Evaluative Studies. *Knowledge Utilisation and Transfer Colloquium (KU-03); Québec City, QC; September 2003*

**Grimshaw JM.** Future Prospects for Evidence Based Practice: Getting closer to the destination. *Medical Grand Rounds Conference, University of California – San Francisco; San Francisco, CA, USA; August 2003*

**Grimshaw JM.** Community Interventions Trials (Plenary session). *Canadian Society of Epidemiology and Biostatistics Biennial Meeting. Halifax, Nova Scotia; June 2003*

**Grimshaw JM.** Improving Physician Practice – Methods and Findings of Implementation Research. *Initiative for Medication Management, Policy Analysis, Research & Training, Dalhousie University, Halifax, Nova Scotia; June 200*

**Grimshaw JM.** Putting evidence-based medicine into practice: the real challenge. *The Alf Nachemson Lectureship, Institute for Work and Health's Annual General Meeting; Toronto, June 2003.*

**Grimshaw JM.** Methodological issues in systematic reviews of professional behaviour change strategies: Experience from the Cochrane Effective Practice and Organization of Care Group. *Saint-François d'Assise Hospital; Quebec City, Quebec; June 2003*

**Grimshaw JM.** Knowledge Translation – Changing Physicians' Behaviour: What works and some thoughts about getting more things to work. *University of Laval; Quebec City, Quebec; June 2003*

**Grimshaw JM.** Cluster Randomized Trials of Professional and Organizational Behaviour Change Interventions in Health Care Settings. *Department of Public Health Sciences, University of Alberta; Edmonton, AB; March 2003*

**Grimshaw JM.** Evidence-based practice: Is changing provider behaviour the right objective? *Public Lecture, University of Alberta; Edmonton, AB; March 2003.*

**Grimshaw JM.** Translating Research into Practice: Taking the Next Step. *Rehabilitation Network of Ottawa Carleton Conference; March 2003*

**Grimshaw JM,** Thomas RE, Eccles M, MacLennan GS, Fraser C, Ramsay CR, Vale L. Guidelines can improve process and outcomes of healthcare. *Royal College of Physicians of Edinburgh, James Lind Symposium. Edinburgh, Scotland; October 2003*

Goodman C, Gabbay J, **Grimshaw J,** Jonsson E, Lohr K. International Evidence Networks: Current Developments and Opportunities (Invited panel session). *5<sup>th</sup> International Conference on the Scientific Basis of Health Services: Global Evidence for Local Decisions (co-hosted by AHRQ) Washington DC, USA; September 2003.*

Barnsley J, Briggs J, **Grimshaw J,** Littlejohns P, Pawlson L. Methods and Measurement. (Invited panel session) *5<sup>th</sup> International Conference on the Scientific Basis of Health Services: Global Evidence for Local Decisions (co-hosted by AHRQ) Washington DC, USA; September 2003.*

**2002 Grimshaw JM.** Cluster Randomized Trials of Health Care Interventions. *Progress and Prospects for Place Based Randomized Trials for The Campbell Collaboration (International workshop. Bellagio, Italy; November 2002.*

**Grimshaw JM.** Changing Physician's Clinical Behaviour. *The Continuing Medical Education Department of the University of Wisconsin Medical School International Conference. Madison, Wisconsin USA; October 2002.*

**Grimshaw JM.** The Implementation of Clinical Practice Guidelines: Current Evidence, Future Implications. *Ontario Medical Education Network Grand Rounds, Toronto General Hospital; December 2002.*

**Grimshaw JM.** Effective and efficient implementation strategies. *Clinical Practice Guidelines 2002, Berlin, Germany, June 2002.*

- O'Brien MA, **Grimshaw J**, Ramsay C. Synthesis without meta analysis in reviews of complex interventions. *UK Contributors to the Cochrane Collaboration, 8th Annual Meeting, Oxford, July 2002.*
- 2001** **Grimshaw JM.** Developing evidence based guidelines. *Exploring Contemporary Issues in Surgical Practice, Royal College of Surgeons, London, 28-29 June 2001.*
- Grimshaw JM.** Clinical practice guidelines: future directions. *AGREE International workshop in clinical practice guidelines, Barcelona, Spain March 2001.*
- Grimshaw JM.** Implementation research. *MRC Workshop on Cluster Randomised Trials, London, 21 February 2001.*
- Grimshaw JM.** Engaging users: a perspective from the Cochrane Collaboration. (Plenary presentation) *1st Campbell Collaboration, Philadelphia, USA, February 2001.*
- Grimshaw JM.** Towards evidence based implementation. *Interfaces between NHSis & Pharmaceutical Industry: Building a Partnership of Skills, Crieff, UK February 2001.*
- Grimshaw JM.** Implementation research: a personal view. (Seminar) *Institute of Population Health, University of Ottawa, Ottawa, Canada January 2001.*
- 2000** Brazzelli M, Astin M, **Grimshaw J**, Needham G. Development of an optimal search strategy and a central register of studies. *Royal College of Radiologists, Training Day, London, 13 December 2000.*
- Cluzeau F, on behalf of the AGREE Collaboration, [Grimshaw JM]. Improving the quality of clinical guidelines: an international framework. *Clinical Excellence 2000, Harrogate, 29-30 November 2000.*
- Grimshaw JM.** Implementation research: the science of getting research findings into practice. Pre conference satellite session. *8<sup>th</sup> Cochrane Colloquium, Cape Town, South Africa, October 2000.*
- Grimshaw JM.** Evidence based implementation of evidence based guidelines. (Plenary presentation) *RCPE/SIGN Symposium on Clinical Effectiveness, Clinical Guidelines and Clinical Standards, Edinburgh, UK November 2000.*
- Grimshaw JM.** Epidemiological methods – evaluating interventions. (Invited workshop) *NHS Service Delivery and Organisation R&D Programme methodology workshop. UK. May 2000.*
- Grimshaw JM.** Towards evidence based education and implementation. (Plenary presentation) *Horizon Scanning in Medical Education: 2020 Vision. AMEE Conference: Beer Sheva, Israel, August 2000*
- Grimshaw JM.** Systematic reviews. (Workshop) *Horizon Scanning in Medical Education: 2020 Vision. AMEE Conference: Beer Sheva, Israel, August 2000.*
- Grimshaw JM, Foy R.** Translating research findings into practice. (Plenary presentation) *International Association for Maternal and Neonatal Epidemiology and Health. Stellenbosch, South Africa, April 2000.*
- Thomas RE, **Grimshaw JM**, on behalf of CCEPP. Getting research evidence into practice. *Scottish Mental Health Research Network, Annual Conference, Stirling, 4 October 2000.*
- 1999** Eccles MP, **Grimshaw JM.** Using EBM guidelines in daily practice. *Congress on Evidence Based Medicine and Evidence Based Laboratory Medicine, Lugano, Switzerland, May 1999.*
- Grimshaw JM.** Promoting research into methods of implementing research findings. (Plenary presentation) *7th Cochrane Colloquium, Rome, Italy October 1999.*
- Grimshaw JM.** Evidence on implementation methods. (Workshop) *International round table meeting on optimal methods for guideline implementation. Leeds Castle, UK October 1999.*
- Grimshaw JM, Eccles MP.** Implementation methods. (Primer session) *15th Annual Meeting of the International Society of Technology Assessment in Health Care, Edinburgh, UK June 1999.*
- Grimshaw JM.** Implementation of evidence based medicine. (Plenary presentation) *EULAR 1999 conference, Glasgow, UK June 1999.*

**Grimshaw JM.** Improving quality in general practice: the continuing challenge. (Plenary presentation) *First Joint Conference of the Network Organisations of the European Society of General Practice/Family Medicine - Wonca Region, Europe Palma de Mallorca, Spain, May 1999.*

**Grimshaw JM.** Getting evidence into practice: what works? *Congress on Evidence Based Medicine and Evidence Based Laboratory Medicine, Lugano, Switzerland, May 1999.*

**Grimshaw JM.** Clinical guidelines - are we on the right track. Has evidence based health care achieved its early promise? (Plenary presentation) *Conference organised by the Centre for Clinical Effectiveness, Melbourne Australia, February 1999.*

**Grimshaw JM.** Evidence based implementation. *Getting Research Findings into Practice meeting organised by the NHS Centre for Reviews and Dissemination, London UK November 1999.*

**Grimshaw JM,** Campbell MK, Eccles MP, Steen IN. Designs for guideline evaluation. (Invited workshop) *BUPA Foundation Workshop: Research on Guidelines Implementation, London, UK June 1999.*

**Grimshaw JM** on behalf of the Cochrane Effective Practice and Organisation of Care Group. Towards evidence-based implementation. (Invited seminar) *The Commonwealth Public Health Workforce Education Initiative Co-ordinated by Australian Commonwealth Department of Health and Aged, Canberra, Australia, February 1999.*

Grol R, **Grimshaw JM.** Implementing guidelines in general practice. (Workshop) *First Joint Conference of the Network Organisations of the European Society of General Practice/Family Medicine - Wonca Region, Europe Palma de Mallorca, Spain, May 1999.*

**1998** Cluzeau F, Littlejohns P, **Grimshaw JM,** Feder G, Moran S. Developing an instrument for appraising clinical guidelines. *National R&D Programme in the area of the Primary Secondary Care Interface Conference. London, UK March 1998.*

**Grimshaw JM.** Changing provider behaviour. (Plenary presentation) *16th Annual Veterans Administration HSR&D Meeting. Washington, USA February 1998.*

**Grimshaw JM.** Towards evidence based implementation (Hacia la implementacion basada en la evidencia de las GPC). *Agencia de Evaluacion de Tecnologias Sanitarias de Andalucia, III Seminario de Evaluacion de Tecnologias Sanitarias, GUIAS DE PRACTICA CLINICA, Hotel Plaze de Armas, Seville, May 1998.*

**Grimshaw JM.** Systematic reviews of implementation strategies: update on the Cochrane Effective Practice and Organisation of Care review group. (Round table discussion) *16th Annual Veterans Administration HSR&D Meeting. Washington, USA February 1998.*

**Grimshaw JM.** Towards evidence based implementation. (Invited seminar) *Agency for Health Care Policy and Research. Washington, USA February 1998.*

**Grimshaw JM.** Not a panacea. What payback should we expect from the Cochrane Collaboration? (Plenary presentation) *4th UK Cochrane Collaborators meeting. Oxford, UK April 1998.*

**Grimshaw JM.** Towards evidence based implementation. (Plenary presentation) ‘*Coping with Caries. Can New Technology Help? Symposium*’ organised by the Royal Society of Edinburgh. *Edinburgh, UK January 1998.*

**Grimshaw JM.** Towards a scientific basis for clinical guidelines. (Plenary presentation) *Annual meeting of the Danish Society for Quality Assurance, Faaborg, Denmark, January 1997.*

Mowatt G, Thomson MA, **Grimshaw JM**, Grant A. Implementing early warning messages. (International workshop) *European Workshop on Scanning the Horizon for Emerging Health Technologies. Copenhagen, Denmark September 1997.*

**1996** Cluzeau F, Littlejohns P, **Grimshaw JM**, Feder G. Appraising guidelines. Clinical Guidelines - Uses and Abuses. *British Medical Journal Conference, London, UK November 1996.*

Cluzeau F, Littlejohns P, **Grimshaw JM**, Feder G. Evaluating the quality of clinical practice guidelines in the UK. *Finding the evidence: clinical guidelines from source to practice, the King's Fund, London, UK November 1996.*

**Grimshaw JM.** Effect of clinical guidelines on medical practice. *Swiss University Hospitals Symposium, Geneva, Switzerland November 1996.*

**Grimshaw JM.** Clinical guidelines: scientific derivation and clinical validity. *Evaluation in Clinical Practice conference, The Royal Society of Medicine, London, UK December 1996.*

**Grimshaw JM.** Overview of clinical guidelines. *Finding the evidence: clinical guidelines from source to practice, the King's Fund, London, UK November 1996.*

**Grimshaw JM.** From evidence to practice: implementing evidence based guidelines in primary care. *RCGP Spring Symposium, Aberdeen, UK April 1996.*

**Grimshaw JM.** Systematic reviews, guidelines and effective professional practice. (Plenary presentation) *4th International Cochrane Colloquium, Adelaide, Australia October 1996.*

**Grimshaw JM.** Clinical guidelines and priority setting: an overview. *First International Conference on Priorities in Health Care, Stockholm, Sweden October 1996.*

**Grimshaw JM.** Guidelines Development in Scotland - Scottish Intercollegiate Guidelines Network (SIGN). *International Society for Technology Assessment in Health Care (ISTAHC), San Francisco, USA June 1996.*

**Grimshaw JM.** Implementing clinical guidelines in hospital and acute care setting. *International Society for Technology Assessment in Health Care (ISTAHC), San Francisco, USA June 1996.*

**1995** **Grimshaw JM.** Reviewing complex health interventions. *Pre-conference workshop International Society for Technology Assessment in Health Care (ISTAHC), Stockholm, Sweden June 1995.*

**Grimshaw JM.** Identifying the evidence base for clinical guidelines. *Royal College of Physicians, Edinburgh, UK June 1995.*

## **Knowledge Translation Presentations to Various Stakeholder Groups**

**2010** *Lead faculty for the Advanced evidence based practice workshop. Organised by Queensland Health, Fraser Island, March 2010.*

**2009** **Grimshaw J.** Participant in Canadian Medical Association Journal brainstorming session on knowledge translation. *Ottawa, December 2009*

**Grimshaw J.** Participant and consensus process leader of HUGNET sponsored Strengthening the Reporting of Genetic Risk Prediction Studies (GRIPS) workshop to develop reporting guidelines for genetic risk prediction studies. *Atlanta December 2009.*

**Grimshaw J.** Canadian Cochrane Network and Centre 2010-2015. *Presentation to the Forum of Health Research Funders, Ottawa, November 2009.*

**Grimshaw J.** Participant *McMaster Health Forum on Optimizing Diabetes Management in Ontario, Hamilton, November 2009*

**Grimshaw J.** Knowledge for knowledge translation: An introduction to knowledge synthesis and The Cochrane Collaboration. *Presentation to the Institute Advisory Board of the CIHR Institute of Respiratory and Circulatory Health. Toronto. November 2009.*

**Grimshaw J.** KT Canada: advancing the science of knowledge translation. *Presentation to the Institute Advisory Board of the CIHR Institute of Respiratory and Circulatory Health. Toronto. November 2009.*

**Grimshaw J.** Knowledge for knowledge translation: An introduction to knowledge synthesis and The Cochrane Collaboration. *Presentation to the Institute Advisory Board of the CIHR Institute of Cancer Research. Quebec. November 2009.*

**Grimshaw J.** Canadian Cochrane Network and Centre 2010-2015. *Presentation to the National Association of Provincial Health Research Organisations, Saskatoon. October 2009.*

**Grimshaw J.** Participant *McMaster Health Forum on Strengthening Chronic Disease Management in Ontario. Hamilton, October 2009.*

**Grimshaw J.** Knowledge translation. Plenary presentation. *1<sup>st</sup> National CPD Accreditation Conference. Ottawa, October 2009.*

**Grimshaw J.** Knowledge translation: leveraging the CIHI portal. *Presentation to the CIHI Portal Users Conference, Ottawa, September 2009*

**Grimshaw J.** Meeting with Michael Fenn and Farlon Rogers Health Program Policy and Standards Branch Ministry of Health and Long-Term Care to discuss Advancing Appropriateness Care In Ontario. *Toronto, May 2009.*

**Grimshaw J.** (Random) Reflections on CHRSP. *Discussant at Evidence in Context: the CHRSP Knowledge Exchange Forum, St John's, May 2009.*

**Grimshaw J.** Developing knowledge translation and knowledge translation research. *The Ottawa Hospital Board retreat, Ottawa, April 2009*

**Grimshaw J, Schaafsma ME.** Knowledge for knowledge translation: An introduction to knowledge synthesis and The Cochrane Collaboration. *Meeting with Dr Malcolm King, Scientific Director of the CIHR Institute of Aboriginal People's Health. Ottawa. April 2009.*

**Grimshaw J.** Press conference for the launch of the National Licence for the Cochrane Collaboration, *Ottawa, April 2009.*

**Grimshaw J, Schaafsma ME.** Knowledge for knowledge translation: An introduction to knowledge synthesis and The Cochrane Collaboration. *Presentation to the National Association of Provincial Health Research Organisations, Ottawa, April 2009.*

**Grimshaw J.** Knowledge translation to improve prescribing behaviours. Presentation to the *Drug Use Evaluation Committee, First Nations & Inuit Health Branch Health Canada Ottawa, April 2009*

**Grimshaw J.** How can research support health policy making? Pre symposium workshop for policy makers. *7<sup>th</sup> Canadian Cochrane Symposium, Halifax, March 2009.*

**Grimshaw J, Lavis J.** Lunch discussion with Nova Scotia Health Research Policy Steering Committee. . *7<sup>th</sup> Canadian Cochrane Symposium, Halifax, March 2009.*

**Grimshaw J.** Discussion about knowledge translation with Pat Campbell, Chief Executive Officer – Echo-Improving Women’s Health in Ontario, Ottawa, February 2009.

**Grimshaw J.** Knowledge Transfer and Continuing Professional Development workshop. Workshop organised by Centre de recherche du Centre Hospitalier Universitaire de Québec, Centre de développement professionnel continu, Faculté de Médecine, Université Laval and Collège des médecins du Québec. *Quebec City, February 2009.*

**Grimshaw J, Schaafsma ME, Aratoon C, Doucette J.** Knowledge for knowledge translation: An introduction to knowledge synthesis and The Cochrane Collaboration *Meeting with Paulette Tremblay, CEO of the National Aboriginal Health Organisation, Ottawa, February 2009.*

**Grimshaw J.** Knowledge for knowledge translation: An introduction to knowledge synthesis and The Cochrane Collaboration. *Presentation to the Institute Advisory Board, CIHR Institute of Infection and Immunity, Vancouver, February 2009.*

**Grimshaw J, Schaafsma ME.** Cochrane Collaboration in Canada. *Meeting with Dr Karen Dodds, Health Canada, Ottawa, January 2009.*

**Grimshaw J, Schaafsma ME.** Cochrane Collaboration in Canada. *Meeting with Dr Greg Taylor, Director of the Office of Public Health Practice in the Public Health Agency for Canada, Ottawa, January 2009.*

**2008 Grimshaw J.** Planning behaviour change. *CADTH/COMPUS Expert Review Committee Meeting, Ottawa, Canada, August 2008*

**Grimshaw J.** Promoting and Evaluating Clinical and Organizational Changes in Health Services. *Seminar for senior managers and policy makers organized by Agenzia Sanitaria e Sociale Regionale / Regional Agency for Health and Social Care, Bologna, Italy, May 2008.*

**Grimshaw J.** Radio interview with Norman Swan for the Health Report Australian Broadcast Corporation. *Melbourne, Australia, April 2008 (Broadcast 12<sup>th</sup> May 2008)*

**Grimshaw J.** Discussion about advancing the science of knowledge translation and building knowledge translation research capacity. *Meeting with Dr Warwick Anderson, Chief Executive Officer and Dr Clive Morrise, Chief Knowledge and Development Officer at National Health and Medical Research Council, Canberra, Australia, March 2008.*

**Grimshaw J.** Knowledge Transfer and Uptake in Health Policy. National Institute of Clinical Studies sponsored seminar for Senior Staff in the National Health and Medical Research Council and Department of Health and Aging, *Canberra, Australia, March 2008.*

**Grimshaw J.** Knowledge infrastructure for knowledge translation. Australasian Cochrane Centre Policy Initiative sponsored seminar for Senior Policy Maker in the Department of Health and Aging, *Canberra, Australia, March 2008.*

**2007 Grimshaw J.** Behavioural approaches to KT. *Presentation to Improved Delivery of Cardiovascular Care through Outreach Facilitation team. Ottawa November 2007*

**Grimshaw J.** Principles of KT. *Presentation for Knowledge Translation in the Post Market Evaluation of Drug Safety and Effectiveness Data Workshop, Ottawa, November 2007.*

**Grimshaw J.** Knowledge Translation - What works? *Presentation for Canadian Blood Services meeting of Medical Directors, Ottawa November 2007*

**Grimshaw J.** An introduction to knowledge synthesis and The Cochrane Collaboration. *Presentation to the Fall Knowledge Translation Institute of the CIHR Institute of Circulatory and Respiratory Health, Ottawa, October 2007.*

**Grimshaw J.** How do you know if research is good? An introduction to systematic reviews and The Cochrane Collaboration (Public lecture). *Fredericton, New Brunswick, May 2007.*

**Grimshaw J.** Use of Systematic Reviews for Policy Development (Policy maker workshop). *Fredericton, New Brunswick, May 2007.*

**Grimshaw J.** An introduction to systematic reviews and The Cochrane Collaboration. *Presentation to the Nova Scotia Health Research Foundation Summer Institute, May 2007.*

**Grimshaw J.** An introduction to systematic reviews and The Cochrane Collaboration. *Presentation to the National Alliance of Provincial Health Research Organizations, Montreal, May 2007.*

**Grimshaw JM, Arratoon C, Schaasfma ME.** Knowledge for knowledge translation: an introduction to knowledge synthesis and the Cochrane Collaboration. *Presentation for the Canadian Association of Occupational Therapists, Ottawa, April 2007*

**Grimshaw J.** Creating links between health services and universities. *Meeting with Mr. Red Bruce, Vancouver Coastal Health Region, Vancouver, February 2007.*

**Grimshaw J.** Supporting knowledge translation in health service settings. *Meeting with members of the Senior Executive Team, Vancouver Coastal Health Region, Vancouver February 2007.*

**Grimshaw J.** Supporting knowledge translation in health service settings. *Meeting with members of the Interprofessional practice council, Vancouver Coastal Health Region, Vancouver February 2007.*

**Grimshaw J.** Health News – Fact not fiction. Seminar for journalists. *5<sup>th</sup> Canadian Cochrane Symposium. Ottawa February 2007.*

**Grimshaw JM.** Knowledge for knowledge translation: an introduction to knowledge synthesis and the Cochrane Collaboration. *Presentation and discussion to Ann-Marie Strapp, Director, Knowledge Management and Reporting Branch, Ministry of Health and Long-Term Care, Toronto, Ontario, February 2007.*

**Grimshaw JM.** KT101.5. *Paediatric Emergency Research Canada Annual Meeting. Banff, January 2007.*

**Grimshaw JM.** Evidence based implementation of evidence based guidance. *COMPUS Proton Pump Inhibitor interventions advisory group. CADTH, Ottawa, January 2007.*

**Grimshaw JM, Arratoon C, Schaasfma ME.** Knowledge for knowledge translation: an introduction to knowledge synthesis and the Cochrane Collaboration. *Presentation for the Canadian Pharmacists Association, Ottawa, January 2007.*

**Grimshaw JM, Arratoon C, Schaasfma ME.** Knowledge for knowledge translation: an introduction to knowledge synthesis and the Cochrane Collaboration. *Presentation for the Canadian Dental Association, Ottawa, January 2007.*

**2006 Grimshaw JM.** Knowledge translation opportunities. *National Cancer Strategy Clinical Practice Guidelines Advisory Group meeting, Ottawa, October 2006*

**Grimshaw JM.** Engaging the wider health services research community. *Joint CIHR Institute of Genetics and Institute of Health Services and Policy Research Workshop, Ottawa, November 2006.*

**Grimshaw JM.** KT perspectives. *Joint CIHR Institute of Genetics and Institute of Health Services and Policy Research Workshop, Ottawa, November 2006.*

**Grimshaw JM.** The Family Physician/Specialist Interface – What is the evidence on which change can be based. CFPC-RCPC Family Physicians and Other Specialists: Working and Learning Together Colloquium, Ottawa, Jan 2006.

**Grimshaw JM.** Challenges for knowledge translation. *Heart and Stroke Canada, Research Policy and Planning Advisory Committee, Jan 2006.*

**Grimshaw JM,** Doumit G. Research on the use of opinion leaders. *Institute of Work and Health Knowledge Translation and Exchange Advisory Committee meeting, May 2006.*

**Grimshaw JM.** Knowledge synthesis, translation and exchange – key concepts and challenges. *Public Health Agency of Canada National Collaborating Centre meeting, Ottawa, Jan 2006.*

**Grimshaw JM** (discussant). 2006 Harkness Canadian Policy Briefing Tour. *CHSRF, Ottawa, May 2006.*

**Grimshaw JM.** Knowledge translation of health technology assessments to health care professionals. *CADTH-SBU workshop, Ottawa, October 2006*

**Grimshaw JM.** Knowledge for knowledge translation: an introduction to knowledge synthesis and the Cochrane Collaboration. *Workshop for CADTH Provincial Policy Liaison Officers, Ottawa, September 2006*

**Grimshaw JM.** Knowledge translation. *Workshop for CADTH staff, Ottawa, July 2006*

**Grimshaw JM,** Tugwell P, Robinson V. Knowledge for knowledge translation: an introduction to knowledge synthesis and the Cochrane Collaboration. *Canadian Population Health Initiative retreat, Ottawa, April 2006.*

**Grimshaw JM,** Arratoon C, Schaasfma ME. Knowledge for knowledge translation: an introduction to knowledge synthesis and the Cochrane Collaboration. *Presentation for the Canadian Speech and Language Pathologists and Audiologists head office staff (CASLPA), Ottawa, September 2006.*

**Grimshaw JM,** Arratoon C, Schaasfma ME. Knowledge for knowledge translation: an introduction to knowledge synthesis and the Cochrane Collaboration. *Presentation for the Canadian Physiotherapists Association, Ottawa, October 2006.*

**Grimshaw JM,** Arratoon C, Schaasfma ME. Knowledge for knowledge translation: an introduction to knowledge synthesis and the Cochrane Collaboration. *Presentation for the Canadian Nursing Association, Ottawa, November 2006.*

**Grimshaw JM,** Arratoon C, Schaasfma ME. Knowledge for knowledge translation: an introduction to knowledge synthesis and the Cochrane Collaboration. *Presentation for the Canadian Medical Association, Ottawa, December 2006.*

**Grimshaw JM.** Knowledge for knowledge translation: an introduction to knowledge synthesis and the Cochrane Collaboration. *Brown bag lunch for the Canadian Institutes of Health Research, Ottawa, February 2006.*

**Grimshaw JM** (discussant). *CHSRF invitational meeting Research capacity in Primary Health Care, Ottawa, September 2006*

**2005 Grimshaw JM** (Convenor). Challenges for Knowledge Translation workshop. *KT-ICEBERG Ottawa, September 2005.*

**Grimshaw JM** (Participant). *Health Canada's Round Table on Aging, Ottawa, December 2005.*

**Grimshaw JM** (Participant). *WHO-Canada Dialogue on Global Health Research, Ottawa, October 2005.*

**Grimshaw JM.** *Meeting with WHO Department of Knowledge Management and Sharing, CHSRF, Ottawa, March 2005.*

**Grimshaw JM,** Legare F. Introduction to the Cochrane Collaboration. *AETMIS, Montreal March 2005.*

**Grimshaw JM.** National Consumers' League Partnership on Safe Medication Use, Washington, Mar 2005

- 2004 Grimshaw JM.** Evidence based implementation. *National Institute for Clinical Excellence and UK NHS Health Technology Assessment joint seminar, London, UK Jan 2004.*
- Grimshaw JM.** Changing clinical practice behaviour. Invited workshop and seminar, Commonwealth Department of Health and Aging, Canberra, Australia June 2004
- Grimshaw JM.** Improving Cancer Care by Knowledge Translation: An Introduction to Key Concepts and Current Evidence. *Cancer Care Ontario retreat, Toronto, Nov 2004.*
- Grimshaw JM.** Evidence in the Political Hot Seat: How Can Cochrane Support Decision Makers? (Invited policy makers workshop). *Cochrane Colloquium, Ottawa, October 2004.*
- Grimshaw JM.** Knowledge synthesis, knowledge translation and quality improvement: Canadian perspectives (Invited seminar). *Dept. of Clinical Governance Agenzia Sanitaria Regionale, Bologna, Italy Dec 2004*
- Grimshaw JM (Participant).** Implementing the Evidence Veterans' Affairs State of the Art conference, Washington, US, August 2004.
- Grimshaw JM.** Empirical, theoretical and pragmatic approaches to quality improvement. Workshop for senior staff at the Royal Women's Hospital, Melbourne, June 2004.
- 2003 Grimshaw JM.** Health Care Units and Hospitals: Cluster Randomized Trials of Health Care Interventions in North America and Western Europe. *Campbell Collaboration Briefing Conference: Place Randomized Trials in Education, Crime, Social Welfare, and Health. Rockefeller Foundation. New York December 2003.*
- Grimshaw JM.** Changing practitioners' behaviour: what works and thoughts on getting more things to work. *Seminar for the Workplace Safety and Insurance Board, Toronto, October 2003.*
- 2002 Grimshaw JM.** Supporting Evidenced-based Decision Making: The Role of the Cochrane Collaboration. *Health Canada; April 2002.*
