

APPROVAL FOR CHART FOR
Research Projects with nuclear substances or radiation emitting devices involving Humans

Principal Investigator/Study Coordinator

REFERENCE: [ADM XII 105 Research Projects with Nuclear Substances or Radiation Emitting Devices involving Humans](#)

Documents required for submission to Research Ethics Board

Executive
Summary and
Full Protocol

Dosimetry
Form
See Appendix
One

Financial
IMPACT
Form

NOTE:
Studies Involving PET
isotopes: Submit a copy in
parallel to RSHP &
Positron Emitters Research
Committee
[Linda Gerrard](#)
